Dear Parents/Guardians:

Starting Monday, October 5, 2020, Janesville School will be offering after-school tutoring for students in grades 6 - 8 to focus on areas needing academic assistance. Students will receive extra support on homework and technology-based instruction in areas identified as below grade level.

There will be no homework assigned. Students will receive help on work assigned in their regular classrooms.

What if my child does not have any homework, and he/she does not want to read or work on alternative work?

You will need to come pick your child up from the program at that time.

What is expected from my child during the afterschool program?

They need to come prepared with a pencil, homework, missing work, and a book to read.

Does my child have to attend the after-school program every day?

No. You can choose the days that work best for you and your child.

What days will the after-school program NOT be in session and when will it end?
