AGREEMENT FOR LEGAL SERVICES

THIS AGREEMENT is effective July 1, 2023, between the JANESVILLE UNION SCHOOL DISTRICT ("Client") and the law firm of LOZANO SMITH, LLP ("Attorney") (each a "Party" and collectively the "Parties"). Attorney shall provide legal services as requested by Client on the following terms and conditions:

1. ENGAGEMENT. Client hires Attorney on an as-requested basis as its legal counsel with respect to matters the Client refers to Attorney. When Client refers a matter to Attorney, Attorney shall confirm availability and ability to perform legal services regarding the matter. After Attorney has completed services for the specific matter referred by Client, then no continuing attorney-client relationship exists until Client requests further services and Attorney accepts a new engagement. If Attorney undertakes to provide legal services to represent Client in such matters, Attorney shall keep Client informed of significant developments and respond to Client’s inquiries regarding those matters. Client understands that Attorney cannot guarantee any particular results, including the costs and expenses of representation. Client agrees to be forthcoming with Attorney, to cooperate with Attorney in protecting Client’s interests, to keep Attorney fully informed of developments material to Attorney’s representation of client, and to abide by this Agreement. Client is hereby advised of the right to seek independent legal advice regarding this Agreement.

2. RATES TO BE CHARGED. Client agrees to pay Attorney for services rendered based on the attached rate schedule. Agreements for legal fees on other-than-an-hourly basis may be made by mutual agreement for special projects (including as set forth in future addenda to this Agreement).

3. REIMBURSEMENT. Client agrees to reimburse Attorney for actual and necessary expenses and costs incurred in the course of providing legal services to Client, including but not limited to expert, consultant, mediation, arbitration fees and e-discovery service fees. Attorney shall not be required to advance costs on behalf of Client over the amount of $1,000 unless otherwise agreed to in writing by Attorney. Typical expenses advanced for Client, without prior authorization, include messenger fees, witness fees, expedited delivery charges, travel expenses, court reporter fees and transcript fees. Client authorizes Attorney to retain experts or consultants to perform services.

4. MONTHLY INVOICES. Attorney shall send Client a statement for fees and costs incurred every calendar month (the “Statement”). Statements shall set forth the amount, rate and description of services provided. Client shall pay Attorney’s Statements within thirty (30) calendar days after receipt. An interest charge of one percent (1%) per month shall be assessed on balances that are more than thirty (30) calendar days past due, not to exceed 10% per annum.

5. COMMUNICATIONS BETWEEN ATTORNEY AND CLIENT. The Parties recognize that all legal advice provided by Attorney is protected by the Attorney-Client and Work Product
Privileges. In addition to regular telephone, mail and other common business communication methods, Client hereby authorizes Attorney to use facsimile transmissions, cellular telephone calls and text, unencrypted email, and other electronic transmissions in communicating with Client. Unless otherwise instructed by Client, any such communications may include confidential information.

6. POTENTIAL AND ACTUAL CONFLICTS OF INTEREST. If Attorney becomes aware of any potential or actual conflict of interest between Client and one or more other clients represented by Attorney, Attorney will comply with applicable laws and rules of professional conduct.

7. INDEPENDENT CONTRACTOR. Attorney is an independent contractor and not an employee of Client.

8. TERMINATION.

a. Termination by Client. Client may discharge Attorney at any time, with or without cause, by written notice to Attorney.

b. Termination by Mutual Consent or by Attorney. Attorney may terminate its services at any time with Client’s consent or for good cause. Good cause exists if (a) Client fails to pay Attorney’s Statement within sixty (60) calendar days of its date, (b) Client fails to comply with other terms of this Agreement, including Client’s duty to cooperate with Attorney in protecting Client’s interests, (c) Client has failed to disclose material facts to Attorney or (d) any other circumstance exists that requires termination of this engagement under the ethical rules applicable to Attorney. Additionally, to the extent allowed by law, Attorney may decline to provide services on new matters or may terminate the Agreement without cause upon written notice to Client if Attorney is not then providing any legal services to Client. Even if this Agreement is not terminated, under paragraph 1 an attorney-client relationship exists only when Attorney is providing legal services to Client.

c. Following Termination. Upon termination by either Party: (i) Client shall promptly pay all unpaid fees and costs for services provided or costs incurred pursuant to this Agreement up to the date of termination; (ii) unless otherwise required by law or agreed to by the Parties, Attorney will provide no legal services following notice of termination; (iii) Client will cooperate with Attorney in facilitating the orderly transfer of any outstanding matters to new counsel, including promptly signing a substitution of counsel form at Attorney’s request; and (iv) Client shall, upon request, be provided the Client’s file maintained for the Client by Attorney and shall sign acknowledgment of receipt upon delivery of that file. For all Statements received by Client from Attorney prior to the date of termination, Client’s failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services as shown in the Statement within thirty (30) calendar days of the date of termination shall be deemed Client’s acceptance of and agreement with the Statement. For any billing appearing for the first time on a Statement received by Client from Attorney after the date...
of termination, failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services within thirty (30) calendar days from receipt of the Statement shall be deemed to signify Client’s acceptance of and agreement with the Statement.

9. MAINTENANCE OF INSURANCE. Attorney agrees that, during the term of this Agreement, Attorney shall maintain liability and errors and omissions insurance.

10. CONSULTANT SERVICES. Attorney works with professional consultants that provide services, including but not limited to, investigations, public relations, educational consulting, leadership mentoring and development, financial, budgeting, management auditing, board/superintendent/chancellor relations, administrator evaluation and best practices, and intergovernmental relations. Attorney does not share its legal fees with such consultants. Attorney may offer these services to Client upon request.

11. DISPUTE RESOLUTION.

a. Mediation. Except as otherwise set forth in this section, Client and Attorney agree to make a good faith effort to settle any dispute or claim that arises under this Agreement through discussions and negotiations and in compliance with applicable law. In the event of a claim or dispute, either Party may request, in writing to the other Party, to refer the dispute to mediation. This request shall be made within thirty (30) calendar days of the action giving rise to the dispute. Upon receipt of a request for mediation, both Parties shall make a good faith effort to select a mediator and complete the mediation process within sixty (60) calendar days. The mediator’s fee shall be shared equally between Client and Attorney. Each Party shall bear its own attorney fees and costs. Whenever possible, any mediator selected shall have expertise in the area of the dispute and any selected mediator must be knowledgeable regarding the mediation process. No person shall serve as mediator in any dispute in which that person has any financial or personal interest in the outcome of the mediation. The mediator’s recommendation for settlement, if any, is non-binding on the Parties. Mediation pursuant to this provision shall be private and confidential. Only the Parties and their representatives may attend any mediation session. Other persons may attend only with the written permission of both Parties. All persons who attend any mediation session shall be bound by the confidentiality requirements of California Evidence Code section 1115, et seq., and shall sign an agreement to that effect. Completion of mediation shall be a condition precedent to arbitration, unless the other Party refuses to cooperate in the setting of mediation.

b. Dispute Regarding Fees. Any dispute as to attorney fees and/or costs charged under this Agreement shall to the extent required by law be resolved under the California Mandatory Fee Arbitration Act (Bus. & Prof. Code §§ 6200, et seq.).

c. Binding Arbitration. Except as otherwise set forth in section (b) above, Client and Attorney agree to submit all disputes to final and binding arbitration, either following mediation which fails to resolve all disputes or in lieu of mediation as may be agreed by
the Parties in writing. Either Party may make a written request to the other for arbitration. If made in lieu of mediation, the request must be made within sixty (60) calendar days of the action giving rise to the dispute. If the request for arbitration is made following an unsuccessful attempt to mediate the Parties’ disputes, the request must be made within ten (10) calendar days of termination of the mediation. The Parties shall make a good faith attempt to select an arbitrator and complete the arbitration within ninety (90) calendar days. If there is no agreement on an arbitrator, the Parties shall use the Judicial Arbitration and Mediation Service (JAMS). The arbitrator’s qualifications must meet the criteria set forth above for a mediator, except, in addition, the arbitrator shall be an attorney unless otherwise agreed by the Parties. The arbitrator’s fee shall be shared equally by both Parties. Each Party shall bear its own attorney fees and other costs. The arbitrator shall render a written decision and provide it to both Parties. The arbitrator may award any remedy or relief otherwise available in court and the decision shall set forth the reasons for the award. The arbitrator shall not have any authority to amend or modify this agreement. Any arbitration conducted pursuant to this paragraph shall be governed by California Code of Civil Procedure sections 1281, et seq. By signing this Agreement, Client acknowledges that this agreement to arbitrate results in a waiver of Client’s right to a court or jury trial for any fee dispute or malpractice claim. This also means that Client is giving up Client’s right to discovery and appeal. If Client later refuses to submit to arbitration after agreeing to do so, Client maybe ordered to arbitrate pursuant to the provisions of California law. Client acknowledges that before signing this Agreement and agreeing to binding arbitration, Client is entitled, and has been given a reasonable opportunity, to seek the advice of independent counsel.

d. **Effect of Termination.** The terms of this section shall survive the termination of the Agreement.

12. **ENTIRE AGREEMENT.** This Agreement with its exhibit supersedes any and all other prior or contemporaneous oral or written agreements between the Parties. Each Party acknowledges that no representations, inducements, promises or agreements have been made by any person which are not incorporated herein, and that any other agreements shall be void. Furthermore, any modification of this Agreement shall only be effective if in writing signed by all Parties hereto.

13. **SEVERABILITY.** Should any provision of this Agreement be held by a court of competent jurisdiction to be invalid, void or unenforceable, but the remainder of the Agreement can be enforced without failure of material consideration to any Party, then this Agreement shall not be affected and it shall remain in full force and effect, unless amended or modified by mutual consent of the Parties; provided, however, that if the invalidity or unenforceability of any provision of this Agreement results in a material failure of consideration, then, to the extent allowed by law, the Party adversely affected thereby shall have the right in its sole discretion to terminate this Agreement upon providing written notice of such termination to the other Party.

14. **NON-WAIVER.** None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specified in writing.
15. NO THIRD PARTY RIGHTS. This Agreement shall not create any rights in, or inure to the benefit of, any third party.

16. ASSIGNMENT. The terms of this Agreement may not be assigned to any third party. Neither Party may assign any right of recovery under or related to the Agreement to any third party.

LASSEN UNION HIGH SCHOOL DISTRICT
2023-24 TRANSPORTATION AGREEMENT

PARTIES:

This Agreement is between the Janesville Elementary School District, hereinafter referred to as the "Contractee", and the Lassen Union High School District (LUHSD), hereinafter referred to as the "Contractor", collectively referred to as the "Parties".

TERM:

The term of this Agreement shall be from August 1, 2023 through June 30, 2024.

SERVICES:

Contractor will provide transportation services, including home to school transportation, via school buses to Contractee during the Term of this Agreement. The Parties shall work together to coordinate load capacities and bus schedules. Bus schedules shall include the pick-up location, destination, and pick-up time and approximate arrival time at destination as well as the approximate number of passengers and number of buses required. The Parties will make every attempt to minimize the cost by combining routes with other school districts including Contractor if possible. Contractor shall provide a bus schedule for the Term of this Agreement to Contractee by August 1, 2023.

Contractor will provide the bus(es) required to the Contractee in a clean, efficient, professional and timely manner.

Contractor will provide buses for field trips (at an additional cost) upon request by Contractee and subject to availability. The rate for field trips shall be as set forth below in the "RATE" section.

In the event Contractee's student(s) engage in disruptive or harmful behavior, Contractee shall be responsible for assigning an adult monitor to be present during transportation services.

MODIFICATION OF BUS SCHEDULES/Routes:

If Contractee desires to modify bus routes, then the Contractee shall give the Contractor sixty (60) days written notice of the proposed route modifications. Contractor will consider the route modifications and make the final decision as to whether the modifications will be implemented. Contractor will make the appropriate modification of the rates accordingly.

If Contractee anticipates a last minute alternate stop, Contractee must notify the Director of Transportation for Contractor of such within a reasonable time, preferably twenty-four (24) hours, prior to the day an alternate stop is needed.

If Contractee needs a bus requiring luggage space, Contractee must notify the Director of Transportation for Contractor of such within a reasonable time, preferably twenty-four (24) hours, prior to departure.
RATE:

The Contractee shall pay the following rates for transportation services:

- The total cost for the home-to-school routes shall be $184,360.00 annually, to be paid in ten equal installments of $18,436.00 per month.
- Field Trips and extracurricular trips will be billed at $65.00 per hour with a 2 hour minimum, $85.00 per hour for every hour over 8 hours. Overnight trips shall be billed at $85.00 per hour plus travel expenses for the bus driver.

Contractee shall be responsible for all costs associated with having adult monitors present during transportation services. The above rates include all services, including the bus, fuel, maintenance, driver costs, cleaning costs, insurance, and administration. There will be no other costs to the Contractee.

Contractor will bill the Contractee in ten (10) equal monthly installments beginning on or about August 1. The final bill for the school year will be issued on or about May 1. Contractee agrees to pay the amount of monthly charges within thirty (30) days or no later than five (5) days prior to the end of the following month, whichever is greater. At each quarter the billing receipts will be balances and any past due amounts will result in a suspension of services until the invoices are paid up to date.

Contractor agrees, while performing the duties required by the Agreement, to comply with any and all federal, state and local laws relevant to the safe transportation of pupils.

Contractor reserves the right to make last minute changes to routes and vehicles used where good cause necessitates such a last minute change. In case of dispute or disagreement arising on any phase of this Agreement, the Contractor reserves the right to make the final decision in such matter.

If the actual program operating costs are higher than anticipated (including, by way of illustration and not limitation, increased fuel costs), the Contractor shall bill Contractee the higher amount, based on the same formulas which were used to calculate the amounts set forth above.

EMERGENCY RESPONSE:

The Parties shall provide each other with emergency day time and evening/weekend emergency response telephone numbers, or cell phone numbers, for the purpose of communicating last minute changes or information to the other when necessary.

In the event of a bus break-down or accident, every attempt will be made to repair the bus as soon as possible or dispatch another bus to the scene in order to comply with the established schedule.

INDEMNIFICATION:

Each party shall defend, indemnify and hold harmless the other party and its affiliates, parents, subsidiaries, directors, trustees, officers, agents, employees and volunteers from any and all liability, loss, expense (including reasonable attorneys’ fees) or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys’ fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the other party and its affiliates, parents, subsidiaries, directors, trustees, officers, agents, employees and volunteers.
CANCELLATION:

Either party may cancel this Agreement with no less than sixty (60) days written notice to the other party.

APPLICABLE LAW:

This Agreement shall be governed by and interpreted under the laws of the State of California. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for Shasta County, subject to any motion for transfer of venue.

SEVERABILITY:

If any provision or any part of this Agreement is for any reason held to be invalid and/or unenforceable or contrary to public policy, law, statute, or ordinance by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

EXECUTION BY FACSIMILE OR IN COUNTERPARTS:

This Agreement may be executed in counterparts, each of which shall constitute an original of the Agreement. Facsimile signature pages transmitted to other Parties to this Agreement shall be deemed equivalent to original signatures on counterparts.

This Agreement shall constitute the contract for transportation services for the District when signature of the President, Clerk, or Secretary of the Governing Board is affixed hereeto.

Room #: 209
JANESVILLE UNION SCHOOL DISTRICT
ATHLETIC AGREEMENT
2023-2024

ATTENDANCE

1. Attendance at practice and contests is mandatory. Any athlete who misses practice or a game, who does not contact their coaches with a valid excuse the day of the absence, will not be allowed to participate in the next event. Schoolwork and serving detention are not valid excuses for missing practice; athletes should plan accordingly to avoid such conflicts.

2. Athletes are expected to remain with their coaches and team members in the facility during all events. They are under the direct supervision of their coaches and parent/guardians and are required to uphold the school’s “code of conduct” when participating in sports. Athletes should avoid any conflicts with others and immediately report any problems to their coaches.

EQUIPMENT

1. The school is not responsible for personal items brought on campus or to the events.

2. Athletes who show up to practice or events without the required uniform/equipment will not be allowed to participate. Only the athlete to whom the uniform/equipment is issued may use those items.

3. Athletes are responsible for the cleaning and proper care of their issued uniforms/equipment during the sport or season. An athlete who loses or damages school uniforms/equipment shall be required to pay for that item.

4. Athletes who fail to return issued uniforms/equipment as directed by their coaches will not be allowed to participate in future activities (sports, dances, trips, etc.) until the uniforms/equipment is turned in or paid for.

ELIGIBILITY

1. An athlete must maintain a 2.0 citizenship and academic grade point average. Athletes will be placed on academic or citizenship probation based on their quarterly grades. Athletes will be immediately placed on citizenship probation if their grades fall below a “C” average. Athletes who do not have a 2.0 average in academics are eligible to acquire a Statement of Understanding, as noted in the Wildcat Handbook (see “Academic Probation”).

2. If an athlete has a note from a doctor, excusing them from PE, they will not participate in sports until cleared by their physician.

3. In order for an athlete to participate in a practice or event, they must be present at school the entire day of the practice or event. Exceptions to this rule are medical and dental appointments; a valid note from the doctor shall be presented to the coach prior to participation. Should the practice or event fall on a Holiday or weekend, in order to participate, athletes must be present the entire proceeding day of the practice or event.
4. Janesville athletes represent the school and should serve as role models for younger students; therefore, athletes must maintain satisfactory behavior in and out of the classroom (3 or fewer disciplinary checks in one day). Athletes will be suspended from the game or event that day or a game or event later during the season, selected by the coach or administrator, if they fail to demonstrate appropriate behavior in class or on the playground.

5. Janesville School athletes are recognized for their good sportsmanship, a reputation we want to maintain, for that reason, behavior from the bench must be exemplary. Players are not allowed to question calls made by the referee and will not taunt or intentionally distract opposing team members. Players who participate in such behavior, determined by the coach, during practice or games, may be permanently suspended from the team. In the event a student is ejected from a game, or disciplined for severely negative behavior during a game, the student athlete will lose the privilege of playing for the rest of the game and the next game. The severity of the incident may result in the suspension from the remainder of a tournament or permanent suspension from the team at the discretion of coach(es), athletic director and school administration.

6. An important aspect of sportsmanship is team play and team membership. Team members will be taught how to treat each other with respect and coached to encourage each other during practice and competition. Athletes who participate in bullying, hazing, or practical jokes during practice or events or any other time outside of athletics, may be promptly removed from the team. Team players shall report all such cases immediately to the coach.

7. Any athlete that is found to have committed a Level D offense, as per the Wildcat Handbook, may be dismissed from the team or participation in the sport.

**EARLY RELEASE**

1. Athletes that require early release from school may have it granted if all of the following conditions are met:

   Athletes must sign out through the attendance office prior to leaving for the event.

2. If an athlete has to leave early for a game, they are responsible for the work that is due the next school day.

3. If an athlete, with work due, leaves school early to participate in an event, they will be excluded from the next game. If the season is over, they will not be permitted to participate in another extracurricular activity: games, tournaments, honor trips, dances, etc.
PHYSICALS AND INSURANCE

1. All athletes who desire to take part in school sports must have a physical at least once every calendar year, certifying that they are in good health and fit to participate. A completed Athletic Health Statement must be given to the coach prior to participation in any open gyms, practices, games, tournaments, or other events.

2. Athletes are encouraged to schedule their physicals during the Summer Break so they will be covered for the following school year, which will provide ample time to make appointments and avoid delays in participation.

3. The school provides basic insurance.

TRANSPORTATION

1. Athletes are expected to arrange transportation with their parents/guardians for all practices, games, events, or tournaments. When the athletic contest is over, athletes must leave with their parents/guardians and are not allowed to hang around on school grounds following the event unless they are with their parents/guardians. Athletes may remain at the event with other parents if they give the coaches a note or other reasonable evidence, indicating the individual responsible for the athlete.

2. Students may only ride with parents, other than their own, who have completed insurance forms on file with the District Office and with proper paperwork filled out. Twenty-four hours’ notice is requested so all paperwork can be taken care of. Prior to leaving for an event and after having been contacted by the parents, coaches will provide the office with a list of students who are riding with other parents/guardians, prior to leaving for an event.

The Board of Trustees meets on the third Tuesday of each month at 6:30 p.m. in the Library. The public is invited to attend all meetings.

The Mission
The mission of the Janesville Union Elementary School District is to prepare students to be productive citizens and confident authors of their future. We will strive to achieve this by offering academically challenging curriculum, quality teaching, and modeling integrity and empathy for others.

The District
Janesville Union Elementary School District is a single school district. The Janesville School serves approximately 380 students in kindergarten through the eighth grade. JUESD was formed by combining several smaller school districts, including Janesville, Lake, Missouri Bend and Milford that formerly existed in the Honey Lake Valley.

Janesville School is located on Main Street in the community of Janesville. The school includes a beautifully maintained campus nestled in the tree line of the Sierra Nevada mountain range. The Janesville School site presently houses twenty-eight classrooms, including the computer laboratory. The site also includes a student library, a gymnasium/cafeteria and various administrative and operations facilities. Classes are self-contained in kindergarten through the sixth grade. Seventh and eighth grade students receive instruction in a modified departmentalized system. Janesville has a well-earned reputation for providing a high quality education. All teachers meet the criteria to be recognized as “Highly Qualified.” In addition, the faculty also includes one resource specialist teacher.

The paraprofessional staff at Janesville School consists of six classroom aides, a computer technician, a speech aide and a library technician. Cafeteria staff and custodial staff include three full-time and one part-time employees. The administrative staff consists of the Superintendent/Principal, the Chief Business Official (Business Manager), the Director of Maintenance, the District Secretary and the School Secretary. School nursing services are provided on a part-time basis with a health clerk provided by the Lassen County Office of Education. The health clerk works under the supervision of a School Nurse. A before and after-school privately operated child care program, Just Kidding Around, is also available on the Janesville School campus for a fee.

The District has seven re-locatable classrooms. The school’s computer lab is located in a classroom adjacent to the library. Students are taught basic computer skills in the lower grades, while junior high school students are given instruction in keyboarding.

Unscheduled School Closures/Emergency Conditions
The most common emergency conditions that affect Janesville School include power outages, heavy snow, and high winds. Please follow these directions in case one or more of these conditions are in effect:

Please pay attention to Janesville School All Calls, text messages, emails and Social Media posts for an announcement. The announcement will report one of the following conditions:
1. School will take place on a delayed day schedule
2. School is cancelled for the day

Students who walk to/from school may be released upon parent notification and consent. It is imperative that all students are accounted for. All students will be checked out from their classrooms and cannot be released to anyone other than those listed on our emergency contact information. Parents/Guardians will also be notified via telephone using our “SchoolWise” automated system for school closures or delayed days. Please continue to use the radio for emergency notifications until you receive a phone message.

In the event school is cancelled due to a weather emergency or other unanticipated closure event, all school meetings, practices, appointments and sports events, such as games, will also be cancelled. This includes any private meetings such as meetings of Cub Scouts or 4H.
Board Meetings and Required School Document Postings
School Board meeting agendas and required school documents will be posted at a minimum of three local Janesville and Milford businesses, on the outside bulletin board at school, and on the JUESD website at www.janesvilleschool.org. Regular meetings are held on the third Tuesday of each month. Special board meetings and public hearings, as needed, will be posted with twenty-four hours notice at the places noted above.

Use of School Facilities
Any group, organization or individual wishing to use the JUESD facilities, including any classroom, the cafeteria, the gymnasium, the activity building or the library, must first obtain and enter into a “Facilities Use Agreement” with the District. Facility Use Agreements can be obtained through the District Office. The District will make a determination of risk associated with the use of the facility. The group, organization or individual may need to demonstrate proof of liability insurance, with $1,000,000 minimum coverage, naming the Janesville Union Elementary School District as an “also insured.” Call the District Office at 253-3660 for more information.

Going To and From School
A student is responsible for his or her actions going to and from school just as if he/she were on campus. State Education Code requires students to be held responsible for observing school rules and property rights while going to school and while returning home from school. Therefore, parents should ensure that their student proceeds directly to school and home again prior to taking part in any other activity. Students should be given enough time to get to school. Students should not arrive before 7:45 a.m. Students are expected to proceed to school and home again while obeying all traffic rules, respecting the property rights of homeowners on their route, and obeying all school rules.

Students are NOT allowed on campus before 7:45 a.m. Students may NOT remain at school more than thirty minutes after the end of the school day. Students who are still on the campus after ten minutes must check in with the school office staff so their parents can be notified that they need transportation. Students cannot remain on campus after school unless attending a school function, program, or with parent supervision. WE DO NOT HAVE SUPERVISION FOR YOUR CHILDREN BEFORE OR AFTER SCHOOL HOURS.

Do not leave children unattended on the playground equipment when visiting the campus after school hours.

School to Home Instructions
Please make the school aware of any changes in your child’s “go home” plans, especially when younger children are involved. Let children know before school if there is to be a change in their daily schedule. Send a note to your child’s teacher making her or him aware of the change. Students who are going to a friend’s home must have a note from their parent. Please call the school as soon as you know if your child must leave school due to an emergency. Please call the office and not directly into classrooms. Most classes go outside in the afternoon and we are unable to reach students with phone messages. Please call with student instructions by 12:00 p.m.

Due to the lost instruction time, students will not be called out of class early to wait for parents/guardians to pick them up in the office. The office will call the classroom when the parent/guardian arrives.

Closed Campus
Janesville School has a closed campus. Students are allowed to leave only when signed out by a parent or guardian. Other situations must be cleared through the office by phone or by note. Students who arrive late to school from a medical/dental appointment will be required to furnish a note from the doctor/dentist office or parent/guardian. If a note is not provided, the tardy will be logged as unexcused. Any student who violates the closed campus by leaving school during school hours without permission will be considered truant. Students
must remain in designated areas during school hours. Due to traffic danger, students must remain out of all designated parking areas during school hours.

Visitors
Parents and guests must sign in at the office. They will receive a visitor’s pass prior to going anywhere on campus. This is required to protect the safety of all students and staff. Your cooperation is essential. Students will refrain from communicating with anyone who does not have a visitor’s badge or who is not a known staff member. Students should also report any person who attempts to communicate with them if that person does not have a visitor’s badge and who is not a known staff member.

Parents who wish to make appointments with teachers should contact the school at 253-3551. The teacher will return the call as soon as possible. Appointments with teachers can only be made before or after school hours. Parents are encouraged to visit and to volunteer at our school. Please follow the procedure for visiting our school as described above. **Students from other schools may not visit our campus during school hours.**

WILDCAT VOLUNTEER PROGRAM
Be an asset in your student(s) education by helping in the classroom, in areas of support on campus (such as the library or computer lab), and/or in classrooms other than your students. ALL volunteers must go through one training a year. Returning volunteers will meet for a review and be given information on any new updates if needed. If you are interested in joining our volunteer team please contact the front office for more information. Volunteers must pass a LiveScan background check. Volunteers will need to pay $10 toward the cost of the LiveScan background check. Thank you to all who volunteer!

Parking and Traffic Control
Vehicles must be parked in designated parking areas only. Leaving a car unattended in an area not designated for parking is prohibited. Parents/Guardians and staff members must be careful when picking up or dropping off their children. All visitors must sign in at the office.

Please take care when driving in the parking lot area. Watch for students and drive slowly! Let’s work together to avoid a tragedy.

Payment by Check Notice
All checks written to Janesville School are processed through the Lassen County Treasury. Each check received by the County Treasury is electronically scanned and deposited. NACHA is a not-for-profit association that represents more than 11,000 financial institutions through direct memberships and a network of regional payments associations, and 650 organizations through its industry councils. NACHA develops operating rules and business practices for the Automated Clearing House (ACH) Network and for electronic payments. NACHA guidelines require us to inform anyone who writes a check that his or her transaction is being handled in an electronic format and that they will not receive a copy of their check back.

The following notice is posted at school and printed here to inform you of the NACHA guidelines: When we use this information from your check to make an electronic funds transfer, funds may be withdrawn from your account as soon as the same day you make your payment, and you will not receive your check back from your financial institution.

**The Lassen County Treasurer requires all checks to be written in black or blue ink.**

If you have any questions regarding these policies, please contact the County Treasurer-Tax Collector’s office at (530) 251-8220.
Books, Instructional Materials, and Equipment
Students will be provided with textbooks, instructional materials and equipment. Students are expected to treat these items with care. Parents will be required to pay for items lost or damaged by the students or by any incident of vandalism. Please be aware that school textbooks may cost fifty dollars or more.

Lost and Found
The school maintains a lost and found box for clothing. This box is located near the south door of the primary grade building. Parents are asked to check with the office before checking the box for their child’s belongings. Periodically throughout the year, the lost and found items will be displayed. Those items not claimed will be donated to a charity.

Illegal, Dangerous, or Prohibited Items/Behaviors

***Notice***

ANY PARENT, GUARDIAN, OR OTHER PERSON WHOSE CONDUCT DISRUPTS A SCHOOL ACTIVITY IS GUILTY OF A MISDEMEANOR (CALIFORNIA PENAL CODE 44811 (a))

No weapons, drugs or alcohol are allowed at school. Possession, sales or the furnishing of a gun or an explosive; possession, use or sales of drugs or brandishing a knife at another person will result in a recommendation for expulsion by the superintendent from Janesville School to the Board of Trustees. The Lassen County Sheriff’s Department will also be notified. No laser pointers are allowed at school without prior approval of the superintendent/principal (penal code 417.27).

In addition, there are items which the District states are not appropriate for school use and are not to be brought to school. These items include toys, party gags, balloons, hard baseballs, non-approved books or magazines, glass containers, yo-yos, trading cards, expensive jewelry, metal baseball bats, or aerosol cans. Some of these items may be dangerous. They can distract students from their learning and/or they are too valuable to risk for theft or loss.

Electronic Devices/Wireless Communication Devices
Cell phones, smart watches, earbuds, headphones, tape recorders/players, cameras, video games, CD players, iPods, MP3 players or other electronic devices brought to school must remain off and stored in the students’ backpack or teacher designated area, during the school day. Electronic devices are expensive and students are highly discouraged from bringing them to school. Personal electronic devices being used for educational purposes are allowed with prior teacher permission and should only be used under direct supervision of a staff member. Janesville School is not responsible for theft or loss of any electronic device brought on campus. The Janesville School Technology Contract and all Janesville School policies apply to personal electronic devices brought on campus or to school sponsored events.

If you are unsure of any item, consult your child’s teacher or the school office before bringing the item to school.

*Students may carry wireless communication devices on the Janesville School campus and at school-related events if they abide by the rules established in the “Student Use of Wireless Communication Contract.” This contract must be completed and signed by the student and the student’s parents/guardians before carrying a wireless communication device on campus. This contract can be obtained in the school office. Contracts must be renewed annually.

According to board policy and the associated wireless communication device usage agreement, devices brought to school must be turned off and stored in the students’ backpack during the school day. Students who violate the contract will have their device confiscated and turned over to the principal or designee. A parent will be required to pick up the confiscated item. Students who fail to follow the wireless communication device contract may also be prohibited from bringing a device to school for the remainder of the school year. Students will be subject to the Disciplinary Check (v) System, including suspension, for violation of school rules.
Dress Code
Students are expected to dress in a manner that will not offend other students or staff and will not disrupt the classroom. Please see the dress code in this handbook (pages 25 and 26) for a list of restricted clothing.

Bicycles, Skateboards, Skates and Scooters
Bicycles, skateboards, and scooters are not to be used on the school grounds during school hours or when staff members are working (7:00 a.m. to 4:30 p.m.). They are not allowed on sidewalks or close to buildings.

Students are to park bikes and scooters in provided racks. Students are expected to obey all rules of the road and traffic laws when coming and going to school. Helmets must be worn.

Reminder: The Janesville Campus is closed after dark.

Food on Campus
No gum or seeds in shells are allowed on campus.

All food and beverages must be eaten in the cafeteria during lunch or in classrooms under the approval of supervising staff. Students are prohibited from eating food or candy or drinking beverages anywhere on the school grounds except on outdoor lunch days. On outdoor lunch days, students may eat outside in the designated area.

Awards and Recognition
Each Friday there may be a presentation of awards to recognize the Student of the Week in each class. These awards are based on a student’s weekly achievement for academic performance and citizenship. Selections are made by the classroom teachers and other staff members.

Academic Honor Roll Certificates are given to students for academic achievement based on the student’s report for the grading period. There are three levels:

- **Gold** 4.0 grade point average
- **Silver** 3.5 to 3.9 grade point average
- **Blue** 3.0 to 3.4 grade point average

Each grading period Perfect Attendance Awards will be awarded to students who are in attendance all of the school days for all of the day. Medical appointments are exempted. Students leaving early to medical appointments or arriving late from medical appointments must bring a note from their doctor or it will be considered an absence. More than two unexcused tardies per grading period will exclude the student from perfect attendance.

Cheating and Plagiarism
Cheating and copying other’s work will result in a reduced or failing grade for the test, paper or project. All incidents of cheating or copying may result in a referral to the principal and a report will be made to the student’s parents. Continual or habitual cheating will result in a failing grade for the subject.
School Attendance

General Information about School Attendance
Students are expected to come to school every day that school is in session when the student is not ill. If a student is absent, please have the student bring a written note from his/her parent or guardian that states the reason for the absence. Parents/guardians may also call our office to report the nature of a student’s absence from school. If you are planning a vacation for three or more school days, please see our office about having your child’s teacher prepare an Independent Study Contract for the student. Five days notice is preferred for Independent Study.

Schools receive state funding for students only when they actually attend school or during the period covered by an Independent Study Contract. If you find it necessary to keep your child out of school for reasons other than illness, we encourage you to send your child to school for at least part of the day so your child will not miss out on important school assignments.

Studies show that there is a direct correlation between good school attendance and student achievement. Therefore, we encourage parents to reinforce the importance of good school attendance.

Why is attendance important?
Did you know . . . ?
- Attendance patterns are established as early as kindergarten.
- Regular attendance and learning to be on time establishes good academic habits that are important in later years.
- New educational concepts are introduced each day. Habitual tardiness and absenteeism lead to student frustration. It’s difficult for students to play “catch-up.” Children have a hard time filling in the gaps between missed lessons.
- It is difficult to identify behaviors and academic difficulties early if a student misses school frequently.
- Older children in the home often set patterns for younger siblings.
- Absenteeism and behavioral problems contribute to higher drop-out rates, delinquency, and vandalism.
- Students who do not eat breakfast are absent more than students who do.
- If your student is absent or tardy frequently, your child may begin to feel that school isn’t important and that you, the parent, don’t value education.
- Your support of the educational process will help motivate your child to do well in school.

Absenteism is not a new problem, but it is a disturbing and costly one. Students who miss school create problems at four levels:
1. Absenteeism hurts the students. Students miss important studies, concepts, and socialization skills, such as learning to understand and follow directions and to plan for the future.
2. Absenteeism hurts other students. Teachers have to give absentees more individual attention for them to catch up, depriving other students of the teacher’s full attention.
3. Absenteeism hurts the school and district. The greater the number of absences, the less the guaranteed revenue to the district. Less revenue affects available resources to spend on educational programs.
4. Absenteeism hurts the community. Short-term effects are reflected in statistics showing increased criminal activity when youth are not in school. Long-term effects are reflected in both social and criminal justice system statistics.

Excused Absences
Valid excuses from compulsory school attendance include only:
- Personal illness of the student
• Funeral services for members of the student’s immediate family
• Medical, dental or optometry services for the student
• Court appearances by the student
• Student caring for his or her own child
• Quarantine of the student or the student’s family
• Attending a student employment conference (requires advance notice to the school)
• Observing a religious holiday (requires advance notice to the school)

Three (3) or more consecutive absences require a doctor’s note to be excused. When a student has accumulated fourteen (14) absences in the school year, any further absences shall require a doctor’s note to be excused. Absences that are not excused are truant (see Truancy, below). **When a student is reported ill but then shows up at a school event or is seen at a public event later that day, the excused absence may be revoked.**

**Truancy (Unexcused Absences)**
California Education Code (Section 48260 (a)) defines truancy as, “Any pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.”

**Excessive Absences**
More than ten cumulative absences for any reason are considered excessive. Excessive absences will be referred to the Superintendent who may refer the matter to the District Student Attendance Review Team (SART).

**Tardiness**
A child’s tardiness not only interferes with their learning, but also disrupts the education of others. The tardy guidelines are:

1. Any child entering the classroom after the tardy bell has rung (8:15) is considered tardy.
2. Medical, dental, or illness related excuses are the only acceptable reason for excused tardies. A student arriving late with no note will receive an unexcused tardy.
3. More than two unexcused tardies each quarter will exclude the student from perfect attendance.
4. Excessive unexcused tardiness as defined in the “Excessive Absence” section above will be referred to the Superintendent and the District Truancy Officer.

**Makeup Work**
Students who are absent from school shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time. (BP 6154)

**Home and Hospital**
Home and Hospital Instruction is for students who have a temporary disability and are unable to attend regular school instruction. Parents/guardians must notify the Superintendent in writing with a note from a medical provider when they are requesting Home and Hospital instruction. (BP 6183)

**Independent Study**
Short term independent study is a voluntary option available to students who are going to be absent for 3-15 days. Independent Study contracts are available in the office and must be signed BEFORE the absence begins. All independent study work is due the day students return to school or absences will be recorded as truant. A minimum 5-day notice is preferred.
Emergency Information

Each student must have at least one emergency contact person on file at the school. It is the responsibility of parents and guardians to update student emergency information when changes occur. The school will not release students to persons other than their parents/guardians unless we are given directions to do so by the students’ parents. Please notify the school office in writing if you plan to have your child released from school to someone other than the parent/guardian or others listed in the school office, or if they are will be riding the bus to a different stop.

Medical Concerns
Students shall not carry medication of any kind at school. If your child must take prescription medication at school, it is imperative that you contact the school secretary or school nurse before you send the medication to the school. In order for your child to take prescription medications during the school day, you must have an "Administration of Prescribed Medication" form (Education Code Section 11753.1) on file with the school. Over-the-counter medication, including cough drops, shall not be brought to school. Please notify your child's teacher and the school office if your child has any severe food allergies. Special meals will be provided or accommodations will be made for your child. The food service Manager must have a Medical Statement Request Specials Meals and/or Accommodations form that will be on file for students with medical conditions before accommodations will be made.

Accidents
When a student is injured and the nature of the injury or the mobility of the student is uncertain, do not move the injured student. Call for assistance or send someone to the nearest teacher or other school staff member. Accidents should be reported to the office immediately.

Accident Insurance
An accurate report, including the date, time and place of an accident should be made at the school office whenever an accident occurs at school. The district purchases basic insurance for students. However, this insurance extends only to school activities and school-related activities. School accident insurance is supplemental insurance that may not provide full coverage in certain situations. School accident insurance does not take effect if the parent has primary insurance coverage.

Parent Drivers and Automobile Liability Insurance
The district acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not exist without volunteer support. Students must have written documentation of their parents’ consent if they plan to ride to a school event with someone other than their parent/guardian. If you plan to provide transportation for other children, you are required to complete an Application by Private Driver to Provide Student Transportation form. This form is available from the advisor or the school office. When submitting your form, please include a copy of your insurance card or policy, and a copy of your driver’s license. Please review the District’s minimum insurance coverage requirements on the form. Your insurance must meet or exceed the District’s minimum standard listed on the form. Your application will not be signed by the Superintendent if your insurance does not meet the minimum standard specified by the District. In most instances if your insurance does not meet the minimum standard, you may contact your auto insurance carrier and increase the level of coverage to the minimum standard required by the District. Just ask your insurance carrier to FAX a statement of coverage to the school. Please contact the school office before you have this information sent to the school. Any parent who volunteers to be a chaperone for any overnight event must be fingerprinted. Parents must get fingerprinted well in advance of the scheduled event so that the fingerprints have a chance to clear. Pick up fingerprint information at the Lassen County Office of Education.
Eligibility for Participation in Extracurricular and Co-curricular Activities
Academic Probation and Citizenship Probation

Grade Point Average
Grade points will be awarded on the following scale:

\[
\begin{align*}
A &= 4.0 & B &= 3.0 & C &= 2.0 & D &= 1.0 & F &= 0
\end{align*}
\]

A teacher may utilize a "+" or a "-" on a report card grade to indicate the level of success in a particular subject. However, grade point averages (GPA) will be calculated using whole numbers only, ignoring the + or – assigned to a particular grade.

Grade point averages will be used to determine if a student is eligible to participate in extracurricular and co-curricular activities. The grade point average will be calculated by multiplying the grade points received with the credit for a given course. All the courses in a grading period are added then averaged. An OVERALL academic GPA of 2.0 or higher and a C or higher in the Citizenship grade as calculated from the previous quarter's report card is necessary to participate in extracurricular and co-curricular activities. Students must be eligible at the time of team tryouts in order to become part of the team. Students who become academically ineligible on a mid-season report card will be removed from the team on the Monday following the day the report cards are sent home from school. Students whose Citizenship grade falls below a C at any time during the season will be removed from the team that same day.

All athletes will abide by the Janesville School Athletics Agreement in Appendix D.

Academic Probation
Maintaining an OVERALL 2.0 or higher GPA will allow the student to participate in such activities as after school athletic teams, dances and clubs (extracurricular activities). The OVERALL 2.0 GPA requirement is also in effect for a student to be able to participate in field trips, class parties, or other special events associated with the curricula in the school (co-curricular activities). Students who do not maintain an OVERALL 2.0 GPA will be placed on "Academic Probation" and will be ineligible for extracurricular or co-curricular activities.

Citizenship Probation
Maintaining a 2.0 or higher citizenship grade will allow the student to participate in such activities as after school athletic teams, dances, and clubs (extracurricular activities). A student will be placed on Citizenship Probation in any quarter that the student’s citizenship grade falls below a grade of “C.” That is, a student will be placed on Citizenship Probation whenever the student accumulates sixteen or more behavior checks. Averages for the end of the year class trip and the graduation ceremony and dance, will be based on citizenship grades received while attending classes on the Janesville campus.

Students on Citizenship Probation will remain on Citizenship Probation for the remainder of the quarter and five weeks of the next quarter and lose the following privileges:
- No Extracurricular Field Trips (Academic Field Trips may require a parent to attend.)
- Ineligibility for School Sports
- No extracurricular activities: school dances, attendance at after school activities etc.

Statement of Understanding
A student’s GPA will be calculated at the end of the first grading period. Any student who does not maintain an OVERALL 2.0 GPA will be placed on Academic Probation. Students who are placed on probation may request a “Statement of Understanding,” which is a contract that will allow the student to continue to participate in all
extracurricular and co-curricular activities as long as the terms of the contract are honored. A Statement of Understanding is intended to give students a legitimate second chance to get their grades up. It is not intended to allow a student to get around the requirement that a student have a GPA of 2.0 in order to participate in extracurricular and co-curricular activities. A statement of understanding may be granted each sports season as necessary.

Seventh and Eighth Grade Requirements:
The Statement of Understanding in seventh and eighth grade requires students to do the following prior to each activity in which they wish to participate:

1. Fill out an activity sign-off sheet before each event (not including practice) in which the student wishes to participate.

2. Be cleared in all six academic subjects and obtain the teacher’s signatures in those subjects.

3. Missing Assignments: All work must be turned in; students may not have missing assignments.

4. The Statement of Understanding must be filled out by Tryout dates for the students to be eligible to tryout.

Dances
School dances will be scheduled throughout the school year. Students in the seventh and eighth grades may attend all school dances if they are not on academic or citizenship probation. Students in sixth grade may attend the tournament dances and those occurring after the end of the 2nd quarter. Students will not be allowed to attend school dances if there is an outstanding bill owed to the school (i.e.: money owed to the Library, missing uniforms, text books, etc.) The graduation dance is for current sixth, seventh, and eighth grade students only.

Guests must have the consent of the principal from their home school to attend a dance at Janesville School. Emergency contact information must also be included. Guests will not be admitted without a host student from Janesville School. The participation/consent form must be completed and turned in one week before the dance. Students who leave Janesville School during the school year to attend another school must have left Janesville School with a citizenship grade of “C” or better in order to be a guest at a Janesville School dance.

Students who attend Janesville School dances, and their guests, must adhere to the Janesville School dress code policies (see the dress code section) at all Janesville School dances with only one exception to the dress policy. Dresses and tops with straps on both shoulders less than one inch wide may be worn to dances, if all other elements of the dress code are otherwise observed. No strapless dresses or gowns, low cut front/back, or dresses/gowns/skirts with a high-side cut (mid-thigh standard) will be allowed at any school dance (including the graduation dance).

Students who leave a dance early will not be readmitted. Students must remain indoors during dances so they can be supervised. If a student is asked to leave a school dance, the student’s parents will be responsible for prompt transportation home.

Field Trips
Some field trips are co-curricular activities. They are scheduled during the school year, depending upon the curriculum and the instructional needs of the class. Students on academic probation will not be allowed to attend extra-curricular field trips.
To attend an Honor Roll field trip a student must have an “A” in citizenship and at least a 2.0 in academics OR a “C” or better in citizenship and a 3.0 or better in academics. If a student who is ineligible for an Honor Roll trip attends the event, he/she will receive one week of lunch detention and five checks.

A parent consent form allowing attendance on field trips must be signed and returned to the teacher prior to participation on a field trip. Fundraisers may be held to help students raise money for these trips or parents may be asked for donations to help the school defray the cost of some field trips. Money generated from fundraising is non-refundable. A sack lunch from the cafeteria will be provided for any student upon request.

Outstanding Debt

Outstanding school related bills/debt (library books, textbooks, yearbooks, etc.) must be cleared before students are allowed to attend dances or field trips. Students may be exempted by the classroom teacher for field trips deemed educational by the classroom teacher, however the teacher shall make a concerted effort to help recover the outstanding debt. In addition, report cards and student cumulative files will not be released until all school related bills/debt are cleared. Debts that have accumulated with no reasonable attempt to pay down the debt may be referred to the Lassen County Small Claims Court.

Athletics and Other Extracurricular Activities

Janesville School sponsors the following sports: seventh and eighth grade touch football, seventh and eighth grade basketball; sixth, seventh, and eighth grade cheerleading, seventh and eighth grade volleyball; sixth, seventh, and eighth grade track and field, multi-age cross-country, and multi-age wrestling. Sixth grade students may be included on basketball, football, and volleyball teams if necessary to provide sufficient numbers for viable teams. The school may also have several other opportunities for students to participate in competitive events. Students who participate in school sports or other extracurricular activities must sign the school Athletic Agreement. These students must also receive medical clearance from a doctor before they participate on the team. Students must be present at school the entire day of the event or practice (excluding medical/dental appointments) to participate or on the preceding day if the event is on a holiday or weekend. They may not participate in extracurricular team sports/dance activities during any period they are excused from physical education, and they must meet school academic and citizenship standards required for extracurricular activities. No student may participate in athletics or other extracurricular activities, such as Yearbook, Spelling Bee, Geography Bee, Academic Olympics, math competitions, Student Council or any other extracurricular activities if they are on Academic or Citizenship Probation. Students participating in athletics must follow the athletic agreement.

Early Release

Students who participate in athletic or academic events and spectators who require early release from school may receive early release from school for participation in an event if all of the following conditions are met:

All assignments are complete to the satisfaction of the classroom teacher. Any past-due assignments must be turned in before the event. An early release form must be filled out by the student and signed by the teachers.

The student’s citizenship grade is a “C” or better. The participant has to be at school the day of a game/event, or the day before a game/event, if the game/event falls on a weekend. Medical appointments are exempted from this rule with proof of a doctor’s excuse. If the participant has to leave early for a game/event, he/she is responsible for the work that is due the next school day. Being absent the day before an event does not excuse the student from having to fill out the early release form.

If a student, who has not fulfilled the early release policy/form, leaves school early to participate in an activity, he/she will be excluded from future events. i.e. - games, tournaments, honor trips, dances, etc.

Student spectators who take an early release without satisfying the applicable criteria stated above will be required to serve an in-house suspension, as directed by the teacher and/or the principal.
Physical Education
Although students are not required to wear uniforms for P.E., they are expected to wear appropriate footwear and clothing for daily P.E. class. If the student wears shoes or clothing that is not appropriate for P.E., the student should bring a change for P.E. and recess. Grades for P.E. will be affected for students who do not participate because they do not have appropriate clothing or footwear for P.E.

If a student is injured and cannot participate in P.E. they have lost their eligibility to participate in a Janesville School sports program/activity/game etc., until the student is able to return to P.E.

Students who are injured and cannot participate in the class, must provide a doctor’s note to be kept on file that they are to be excused from physical education. If a note is not provided, the student will be required to participate or their grade will be affected. Injured students, who have a note, will be required to stay indoors, in a designated classroom, during the physical education period.

Seventh Grade Promotion Standards
To meet the seventh grade promotion standards, the student must have no more than four F’s for the entire year. A conference with the student’s parents may be required.

Students must obtain credit for twenty-eight units of course work during the regular school year and pass the Constitution Test to graduate from Janesville School. Credit is obtained each quarter by successfully passing the subjects shown above with a grade of “D” or better. No credit is earned toward graduation for a class when the student receives a grade of “F” in that class. A diploma and participation in the graduation ceremony and dance will be awarded to those students who complete twenty-four to twenty-eight credits in their eighth grade year. This averages out to no more that four grades of “F” for the entire school year. Students who do not attend Janesville School for the entire year will be allowed an average of one “F” per full quarter of attendance (one quarter of attendance equals one “F”; two quarters equals 2 “Fs,” etc.). If a student has more than twenty-one checks, which equals an “F” in citizenship, in the fourth quarter he or she will be excluded from the graduation ceremony and the graduation dance. Graduating students will be required to wear the gown provided by the District at the graduation ceremony. Students must attend all graduation practices to participate in the graduation ceremony unless prior arrangements are made with their teachers. Graduation/class trip requirements are based on the grades and citizenship earned at Janesville School only. Absences do not exclude students from meeting graduation/class trip deadlines.

The high school will be apprised of those students who were graduated, promoted, transferred or retained.
Eighth Grade Trip Requirements

**Academics**
- The student has met the graduation requirements for Janesville School.
- All work has been turned in during the fourth quarter to the satisfaction of all classroom teachers.

Students who do not attend the eighth grade trip because of Academic Requirements or Citizenship Probation, excessive suspensions, or because they do not want to go, must attend school while the rest of the class is on the trip. Student Wellness

The District encourages school organizations to use healthy food items or non-food items for fundraising purposes and further encourages school staff to avoid the use of non-nutritious foods as a reward for students’ academic performance, accomplishments, or classroom behavior.

Class parties or celebrations shall be held after the lunch period when possible. Each class may only have one class party per month in grades kindergarten through the fourth grade and grades five through eight are limited to four parties per year. Parents are encouraged to support class parties with healthy food, avoiding sugar and fat laden snacks.

See Appendix C for additional information on Janesville School’s Health and Wellness Program.
Dress Code

The Janesville dress code has been established by state law and the Janesville Union School District Board of Trustees for all students and staff. In order to preserve a neutral environment conducive to learning and protect the educational process, the following dress code is in effect at all times, including coming to school or going home, or while participating in school related activities. The dress code at Janesville School provides a balance between an individual’s First Amendment right to free expression and the school's responsibility to provide a safe and secure educational environment.

Clearly, you cannot wear any clothing that advocates or promotes religious, ethnic or racial intolerance nor may you wear clothing that indicates gang membership.

In addition to being a Level “A” behavior offense, students who wear clothing that violates the school’s dress code will be subject to the following:

First violation: Referral to office, first warning recorded and student is required to change the clothing so that it is appropriate. The student will receive one check.

Second violation: Referral to office, lunch detention given and student is required to change the clothing so that it is appropriate. The student will receive two checks.

All further violations: Referral to office, student is suspended for one day and is required to change the clothing so that it is appropriate. The student will receive three checks.

In general, students must, at all times, be clean and neat and shoes must be worn at all times.

**Board Approved 3/21/23**
APPENDIX B
SEXUAL HARASSMENT
POLICY AND REGULATIONS
The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district’s Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district’s sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district’s web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students.

6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made.

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues.

8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation.

**Disciplinary Actions**

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

**Record-Keeping**

In accordance with law and district policies and regulations, the Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

APPENDIX D
ATHLETIC AGREEMENT
JANESVILLE UNION SCHOOL DISTRICT
ATHLETIC AGREEMENT
2023-2024

ATTENDANCE

1. Attendance at practice and contests is mandatory. Any athlete who misses practice or a game, who does not contact their coaches with a valid excuse the day of the absence, will not be allowed to participate in the next event. Schoolwork and serving detention are not valid excuses for missing practice; athletes should plan accordingly to avoid such conflicts.

2. Athletes are expected to remain with their coaches and team members in the facility during all events. They are under the direct supervision of their coaches and parent/guardians and are required to uphold the school’s “code of conduct” when participating in sports. Athletes should avoid any conflicts with others and immediately report any problems to their coaches.

EQUIPMENT

1. The school is not responsible for personal items brought on campus or to the events.

2. Athletes who show up to practice or events without the required uniform/equipment will not be allowed to participate. Only the athlete to whom the uniform/equipment is issued may use those items.

3. Athletes are responsible for the cleaning and proper care of their issued uniforms/equipment during the sport or season. An athlete who loses or damages school uniforms/equipment shall be required to pay for that item.

4. Athletes who fail to return issued uniforms/equipment as directed by their coaches will not be allowed to participate in future activities (sports, dances, trips, etc.) until the uniforms/equipment is turned in or paid for.

ELIGIBILITY

1. An athlete must maintain a 2.0 citizenship and academic grade point average. Athletes will be placed on academic or citizenship probation based on their quarterly grades. Athletes will be immediately placed on citizenship probation if their grades fall below a “C” average. Athletes who do not have a 2.0 average in academics are eligible to acquire a Statement of Understanding, as noted in the Wildcat Handbook (see “Academic Probation”).

2. If an athlete has a note from a doctor, excusing them from PE, they will not participate in sports until cleared by their physician.

3. In order for an athlete to participate in a practice or event, they must be present at school the entire day of the practice or event. Exceptions to this rule are medical and dental appointments; a valid note from the doctor shall be presented to the coach prior to participation. Should the practice or event fall on a Holiday or weekend, in order to participate, athletes must be present the entire proceeding day of the practice or event.
4. Janesville athletes represent the school and should serve as role models for younger students; therefore, athletes must maintain satisfactory behavior in and out of the classroom (3 or fewer disciplinary checks in one day). Athletes will be suspended from the game or event that day or a game or event later during the season, selected by the coach or administrator, if they fail to demonstrate appropriate behavior in class or on the playground.

5. Janesville School athletes are recognized for their good sportsmanship, a reputation we want to maintain, for that reason, behavior from the bench must be exemplary. Players are not allowed to question calls made by the referee and will not taunt or intentionally distract opposing team members. Players who participate in such behavior, determined by the coach, during practice or games, may be permanently suspended from the team. In the event a student is ejected from a game, or disciplined for severely negative behavior during a game, the student athlete will lose the privilege of playing for the rest of the game and the next game. The severity of the incident may result in the suspension from the remainder of a tournament or permanent suspension from the team at the discretion of coach(es), athletic director and school administration.

6. An important aspect of sportsmanship is team play and team membership. Team members will be taught how to treat each other with respect and coached to encourage each other during practice and competition. Athletes who participate in bullying, hazing, or practical jokes during practice or events or any other time outside of athletics, may be promptly removed from the team. Team players shall report all such cases immediately to the coach.

7. Any athlete that is found to have committed a Level D offense, as per the Wildcat Handbook, may be dismissed from the team or participation in the sport.

**EARLY RELEASE**

1. Athletes that require early release from school may have it granted if all of the following conditions are met:

   Athletes must sign out through the attendance office prior to leaving for the event.

2. If an athlete has to leave early for a game, they are responsible for the work that is due the next school day.

3. If an athlete, with work due, leaves school early to participate in an event, they will be excluded from the next game. If the season is over, they will not be permitted to participate in another extracurricular activity: games, tournaments, honor trips, dances, etc.
PHYSICALS AND INSURANCE

1. All athletes who desire to take part in school sports must have a physical at least once every calendar year, certifying that they are in good health and fit to participate. A completed Athletic Health Statement must be given to the coach prior to participation in any open gyms, practices, games, tournaments, or other events.

2. Athletes are encouraged to schedule their physicals during the Summer Break so they will be covered for the following school year, which will provide ample time to make appointments and avoid delays in participation.

3. The school provides basic insurance.

TRANSPORTATION

1. Athletes are expected to arrange transportation with their parents/guardians for all practices, games, events, or tournaments. When the athletic contest is over, athletes must leave with their parents/guardians and are not allowed to hang around on school grounds following the event unless they are with their parents/guardians. Athletes may remain at the event with other parents if they give the coaches a note or other reasonable evidence, indicating the individual responsible for the athlete.

- The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

Status: ADOPTED

Original Adopted Date: 07/01/2015 | Last Revised Date: 12/01/2019 | Last Reviewed Date: 05/01/2019

The Governing Board recognizes the harmful effects of bullying on student well-being, student learning, and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. No individual or group shall, through physical, written, verbal, visual, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel, or retaliate against them for filing a complaint or participating in the complaint resolution process.

The Superintendent or designee shall develop strategies for addressing bullying in district schools with the involvement of students, parents/guardians, and staff. As appropriate, the Superintendent or designee may also collaborate with social services, mental health services, law enforcement, courts, and other agencies and community organizations in the development and implementation of effective strategies to promote safety in schools and the community.

Such strategies shall be incorporated into the comprehensive safety plan and, to the extent possible, into the local control and accountability plan and other applicable district and school plans.

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district’s uniform complaint procedures specified in AR 1312.3. If the parents/guardians of a student who has been the victim of an act of bullying requests a transfer for the student pursuant to Education Code 46600, the Superintendent or designee shall allow the transfer in accordance with law and district policy on intradistrict or interdistrict transfer, as applicable.

Bullying includes, but is not limited to, any act described in Education Code 48900(r).

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images. Cyberbullying also includes breaking into another person’s electronic account or assuming that person’s online identity in order to damage that person’s reputation.

Examples of the types of conduct that may constitute bullying and are prohibited by the district include, but are not limited to:

3. Social/relational bullying: An act that harms a person's reputation or relationships, such as leaving a person out of an activity on purpose, influencing others not to be friends with someone, spreading rumors, or embarrassing someone in public

4. Cyberbullying: An act such as sending demeaning or hateful text messages or emails, spreading rumors by email or by posting on social networking sites, or posting or sharing embarrassing photos, videos, web site, or fake profiles

Measures to Prevent Bullying

The Superintendent or designee shall implement measures to prevent bullying in district schools, including, but not limited to, the following:

1. Ensuring that each school establishes clear rules for student conduct and implements strategies to promote a positive, collaborative school climate

2. Providing information to students, through student handbooks, district and school web sites and social media, and other age-appropriate means, about district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying

3. Encouraging students to notify school staff when they are being bullied or when they suspect that another student is being bullied, and providing means by which students may report threats or incidents confidentially and anonymously
4. Conducting an assessment of bullying incidents at each school and, if necessary, increasing supervision and security in areas where bullying most often occurs, such as playgrounds, hallways, restrooms, and cafeterias

5. Annually notifying district employees that, pursuant to Education Code 234.1, any school staff who witnesses an act of bullying against a student has a responsibility to immediately intervene to stop the incident when it is safe to do so

Staff Development

The Superintendent or designee shall annually make available to all certificated staff and to other employees who have regular interaction with students the California Department of Education (CDE) online training module on the dynamics of bullying and cyberbullying, including the identification of bullying and cyberbullying and the implementation of strategies to address bullying. (Education Code 32283.5)

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences

2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims

3. Identify the signs of bullying or harassing behavior

4. Take immediate corrective action when bullying is observed

5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

1. The district's policy on student suicide prevention, including a reference to the policy's age appropriateness for students in grades K-6

2. The definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8

3. Title IX information included on the district's web site pursuant to Education Code 221.61, and a link to the Title IX information included on CDE's web site pursuant to Education Code 221.6
4. District policies on student sexual harassment, prevention and response to hate violence, discrimination, harassment, intimidation, bullying, and cyberbullying

5. A section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media

6. A link to statewide resources, including community-based organizations, compiled by CDE pursuant to Education Code 234.5.

7. Any additional information the Superintendent or designee deems important for preventing bullying and harassment

Student Instruction

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character development, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

The district shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

Students should be taught the difference between appropriate and inappropriate behaviors, how to advocate for themselves, how to help another student who is being bullied, and when to seek assistance from a trusted adult. As role models for students, staff shall be expected to demonstrate effective problem-solving and anger management skills.

To discourage cyberbullying, teachers may advise students to be cautious about sharing passwords, personal data, or private photos online and to consider the consequences of making negative comments about others online.

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

When a report of bullying is submitted, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3 - Uniform Complaint Procedures. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report such observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3.
When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

**Discipline/Corrective Actions**

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code 48900, may include suspension or expulsion in accordance with district policies and regulations.

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

**Support Services**

The Superintendent, principal, or principal’s designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

If any student involved in bullying exhibits warning signs of suicidal thought or intention or of intent to harm another person, the Superintendent or designee shall, as appropriate, implement district intervention protocols which may include, but are not limited to, referral to district or community mental health services, other health professionals, and/or law enforcement.

County superintendent of schools offices employing holders of the Emergency 30-Day Substitute Teaching Permit are also required to annually file, at their office, this completed statement of need form. The county superintendent of schools will sign the form.

The Commission does not require that the school board approve the statement of need. The individual school district may establish its own policy regarding this matter.

Janesville Union Elementary School District
Student Use of Wireless Communication Devices Contract

The Board of Trustees of the Janesville Union Elementary School District recognizes that students in a rural school without access to a public pay phone may need to use a wireless communication device as a safety precaution following school events or at the end of the school day. The following contract allows students to carry wireless communication devices at Janesville School.

1. By completing this form the parent/guardian declares that their son/daughter will have a wireless communication device on campus and have registered the student’s phone number with the office. This will be done at the beginning of each school year thereafter.

2. Wireless Communication Devices will remain turned off during the school day (7:45 a.m.-2:25 p.m.)

3. Any student who wishes to arrange changes in transportation home or to school may not do so through a wireless communication device use but must follow regular school procedures.

4. Wireless Communication Devices may be used on school busses upon the Lassen High School policy and/or individual driver’s procedures.

5. Student/Parent/Guardian understands that the district will not be responsible for any lost Wireless Communication Devices or lost phone service.

6. The Superintendent/Principal, or designee, shall confiscate any wireless communication device not used as outlined above and the student may lose his/her privilege to have a wireless communication device at school. Once a wireless communication device has been confiscated, it will be the responsibility of the parent(s)/guardian(s) to come to the school to claim the device. The school is not responsible to notify the parent(s)/guardian(s) that the phone has been confiscated.

8. Students who fail to follow the wireless communication device policy may also be prohibited from bringing a wireless communication device to school for the remainder of the school year. Students will be subject to the Disciplinary Check (v) System for violation of school rules, including suspension.

9. Students are prohibited from taking photos and/or videos of other students while on District property.

Regulation 5144: Discipline

Site-Level Rules

Site-level rules shall be consistent with state law and Board policies and administrative regulations. In developing site-level disciplinary rules, the principal or designee shall solicit the participation, views, and advice of one representative selected by each of the following groups: (Education Code 35291.5)

1. Parents/guardians
2. Teachers
3. School administrators
4. School security personnel, if any

Annually, site-level discipline rules shall be reviewed and, if necessary, updated to align with any changes in state law, district discipline policies and regulations, and/or goals for school safety and climate as specified in the district’s local control and accountability plan. A copy of the rules shall be filed with the Superintendent or designee for inclusion in the comprehensive safety plan.

School rules shall be communicated to students clearly and in an age-appropriate manner.

It shall be the duty of each employee of the school to enforce the school rules on student discipline. (Education Code 35291.5)

Disciplinary Strategies

To the extent possible, staff shall use disciplinary strategies that keep students in school and participating in the instructional program. Except when students' presence causes a danger to themselves or others or they commit a single act of a grave nature or an offense for which suspension or expulsion is required by law, suspension or expulsion shall be used only when other means of correction have failed to bring about proper conduct. Disciplinary strategies may include, but are not limited to:

1. Discussion or conference between school staff and the student and parents/guardians
2. Referral of the student to the school counselor or other school support service personnel for case management and counseling
3. Convening of a study team, guidance team, resource panel, or other intervention-related team to assess the behavior and develop and implement an individual plan to address the behavior in partnership with the student and parents/guardians
4. When applicable, referral for a comprehensive psychosocial or psychoeducational assessment, including for purposes of creating an individualized education program or a Section 504 plan
5. Enrollment in a program for teaching prosocial behavior or anger management

6. Participation in a restorative justice program

7. A positive behavior support approach with tiered interventions that occur during the school day on campus

8. Participation in a social and emotional learning program that teaches students the ability to understand and manage emotions, develop caring and concern for others, make responsible decisions, establish positive relationships, and handle challenging situations capably

9. Participation in a program that is sensitive to the traumas experienced by students, focuses on students' behavioral health needs, and addresses those needs in a proactive manner

10. After-school programs that address specific behavioral issues or expose students to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups

11. Recess restriction as provided in the section below entitled "Recess Restriction"

12. Detention after school hours as provided in the section below entitled "Detention After School"

13. Community service as provided in the section below entitled "Community Service"

14. In accordance with Board policy and administrative regulation, restriction or disqualification from participation in extracurricular activities

15. Reassignment to an alternative educational environment

16. Suspension and expulsion in accordance with law, Board policy, and administrative regulation

When, by law or district policy, other means of correction are required to be implemented before a student could be suspended or expelled, any other means of correction implemented shall be documented and retained in the student's records. (Education Code 48900.5)

**Recess Restriction**

Teachers may restrict a student's recess time only when they believe that this action is the most effective way to bring about improved behavior. When recess restriction involves the withholding of physical activity from a student, teachers shall try other disciplinary measures before imposing the restriction. Recess restriction shall be subject to the following conditions:

1. The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.
2. The student shall remain under supervision during the period of restriction.
3. The student's teacher shall inform the principal of any recess restrictions imposed.
Detention After School

Students may be detained for disciplinary reasons for up to one hour after the close of the maximum school day, or until the departure of the school bus to which they have been assigned if applicable. (5 CCR 307, 353)

The student shall not be detained unless the principal or designee notifies the parent/guardian.

Students shall remain under the supervision of a certificated employee during the period of detention.

Community Service

As part of or instead of disciplinary action, the Board, Superintendent, principal, or principal's designee may require a student to perform community service during nonschool hours on school grounds or, with written permission of the student's parent/guardian, off school grounds. Such service may include, but is not limited to, community or school outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. (Education Code 48900.6)

This community service option is not available for a student who has been suspended, pending expulsion, pursuant to Education Code 48915. However, if the recommended expulsion is not implemented or the expulsion itself is suspended, then the student may be required to perform community service for the resulting suspension. (Education Code 48900.6)

Notice to Parents/Guardians and Students

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians, in writing, about the availability of district rules related to discipline. (Education Code 35291, 48980)

The Superintendent or designee shall also provide written notice of disciplinary rules to transfer students at the time of their enrollment in the district.
