(b) In order to ensure that moneys sufficient to pay all costs will be available for this purpose when required, the District shall maintain on deposit, and shall annually appropriate funds sufficient to make all Tenant Improvement Payments and Sublease Payments which become due to Contractor under this Sublease, provided however that the District shall not be required to appropriate said funds in the event that the District determines in good faith that exigent circumstances have arisen that require District to reduce its budget and not appropriate funds for the payments required hereunder. Any such failure to appropriate funds in any year subsequent to the initial year of this

Sublease shall be deemed a termination for convenience and shall be subject to the provisions of the General Conditions.

SECTION 6. Payments

(a) The District shall pay Contractor the Tenant Improvement Payments and the Sublease Payments as set forth in **Exhibit A** hereof, at the office of Contractor or to such other person or at such other place as Contractor may from time to time designate in writing.

(b) If the District determines that the work is delayed so that Contractor shall not be able to deliver the work pursuant to the construction schedule required by the Construction Services Agreement (the "Construction Schedule"), the District shall be entitled to withhold a reasonable amount from the Tenant Improvement Payments and/or the Sublease Payments then due to cover the damages for delay. Once the District has determined that the work has been performed pursuant to the approved construction schedule, the District shall be obligated to release any funds withheld pursuant to this Paragraph.

(c) The obligation of the District to pay Tenant Improvement Payments and the Sublease Payments hereunder shall constitute a current expense of the District and shall not in any way be construed to be a debt of the District in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the District, nor shall anything contained herein constitute a pledge of the general tax revenues, funds, or moneys of the District.

SECTION 7. Fair Rental Value

The Tenant Improvement Payments and the Sublease Payments shall be paid by the District in consideration of the right of possession of, and the continued quiet use and enjoyment of, the Project and the Site during the Term of this Sublease. The parties hereto have agreed and determined that such total Tenant Improvement Payments and Sublease Payments are not in excess of the fair rental value of the Project and the Site. In making such determination, consideration has been given to the fair market value of the Project and the Site, other obligations of the parties under this Sublease (including, but not limited to, costs of maintenance, taxes and insurance), the obligations under the Construction Services Agreement, the uses and purposes which may be served by the Project and the Site and the benefits therefrom which will accrue to the District and the general public, the ability of the District to make additions, modifications and improvements to the Project and the Site which are not inconsistent with the Construction Services Agreement and which do not interfere with Contractor's work on the Project and the Site.

SECTION 8. Sublease Abatement

In addition to delay of payments provided in Section 6, above, Tenant Improvement Payments and Sublease Payments due hereunder with respect to the Project shall be subject to abatement prior to the commencement of the use of the Project or during any period in which, by reason of material damage to or destruction of the Project or the Site, there is substantial interference with the use and right of

possession by the District of the Project and the Site or any substantial portion thereof. For each potential incident of substantial interference, decisions to be made on: i) whether or not abatement shall apply; ii) the date upon which abatement shall commence; iii) the applicable portion of the Tenant Improvement Payments and the Sublease Payments to be abated and; iv) the concluding date of the particular abatement shall all be subject to determinations by the District in concert with its insurance provider. Contractor's right to dispute these decisions is not impaired. The amount of abatement shall be such that the Tenant Improvement Payments and the Sublease Payments paid by the District during the period of Project restoration do not exceed the fair rental value of the usable portions of the Site. In the event of any damage or destruction to the Project or the Site, this Sublease shall continue in full force and effect.

SECTION 9. Use of Site and Project

During the Term of this Sublease, Contractor shall provide the District with quiet use and enjoyment of the Site without suit, or hindrance from Contractor or its assigns. The District will not use, operate, or maintain the Site or Project improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Sublease. The Contractor shall provide all permits and licenses, if any, necessary for the operation of the Project. In addition, the District agrees to comply in all respects (including, without limitation, with respect to the time, maintenance and operation of the Project) with laws of all jurisdictions in which its operations involving the Project may extend and any legislative, executive, administrative, or judicial body exercising any power or jurisdiction over the Site or the Project; provided, however, that the District may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not adversely affect the estate of Contractor in and to the Site or the Project or its interest or rights under this Sublease. Upon completion of the Project or severable portions thereof, as defined in the General Conditions, Contractor shall provide the District with quiet use and enjoyment of the Site without suit or hindrance from Contractor or its assigns, subject to reasonable interference from ongoing construction operations on any remaining portion of the Site under construction by Contractor.

SECTION 10. Contractor's Inspection/Access to Site

The District agrees that Contractor and any Contractor representative shall have the right at all reasonable times to enter upon the Site or any portion thereof to construct and improve the Project, to examine and inspect the Site and the Project and to exercise its remedies pursuant to Section 16 of this Sublease. The District further agrees that Contractor and any Contractor representative shall have such rights of access to the Site as may be reasonably necessary to cause the proper maintenance of the Site and the Project in the event of failure by the District to perform its obligations hereunder.

SECTION 11. Project Acceptance

The District shall acknowledge final inspection and completion of the Project by executing a Certificate of Acceptance and recording a Notice of Completion in

accordance with the General Conditions. The validity of this Sublease will not be affected by any delay in or failure of completion of the Project.

SECTION 12. Alterations and Attachments

All permanent additions and improvements that are made to the Project shall belong to and become the property of Contractor, subject to the provisions of Section 20 hereof. Separately identifiable additions and improvements added to the Project by the District shall remain the property of the District. At Contractor's request, the District agrees to remove the additions and improvements and restore the Project to substantially as good condition as when acquired and constructed, normal wear and tear excepted, in the event of failure by the District to perform its obligations hereunder.

SECTION 13. Physical Damage; Public Liability Insurance

Contractor and the District shall maintain such damage and public liability insurance policies with respect to the Project and the Site as are required of them herein and by the Construction Services Agreement

SECTION 14. Taxes

The District shall keep the Project and the Site free and clear of all levies, liens, and encumbrances and shall pay all license fees, registration fees, assessments, charges, and taxes (municipal, state, and federal) if applicable, which may now or hereafter be imposed upon the ownership, leasing, renting, sale, possession, or use of the Project and the Site, excluding, however, all taxes on or measured by Contractor's income.

SECTION 15. Events of Default

The term "Event of Default," as used in this Sublease means the occurrence of any one or more of the following events: (a) the District fails to make any unexcused Tenant Improvement Payment or Sublease Payment (or any other payment) within 30 days after the due date thereof; (b) the District or Contractor fails to perform or observe any other covenant, condition or agreement to be performed or observed by it hereunder or under any of the Contract Documents (as that term is defined in the Construction Services Agreement), and such failure to either make the payment or perform the covenant, condition or agreement is not cured within 10 days after written notice thereof by the other party; (c) the discovery by a party that any statement, representation or warranty made by the other party in this Sublease, or in the Contract Documents (as that term is defined in the Construction Services Agreement), or in any document ever delivered by that other party pursuant hereto or in connection herewith is misleading or erroneous in any material respect; or (d) a party becomes insolvent, is unable to pay its debts as they become due, makes an assignment for the benefit of creditors, applies or consents to the appointment of a receiver, trustee, conservator or liquidator of the party or of all or a substantial part of its assets, or a petition for relief is filed by the party under federal bankruptcy, insolvency or similar laws.

SECTION 16. Remedies on Default

Upon the happening of any Event of Default, the non-defaulting party may exercise any and all remedies available pursuant to law or in equity or granted pursuant to this Sublease. Notwithstanding any provisions to the contrary herein, Contractor shall not under any circumstances have the right to accelerate the Tenant Improvement Payments or the Sublease Payments that fall due in future Sublease periods or otherwise declare any Tenant Improvement Payment or Sublease Payments not then in default to be immediately due and payable. Upon the occurrence of an Event of Default, the non-breaching party may elect to terminate this Sublease in accordance with the provisions contained in the General Conditions. Termination of the Construction Services Agreement shall trigger the termination of the Site Lease and this Sublease.

SECTION 17. Non-Waiver

No covenant or condition to be performed by the District or Contractor under this Sublease can be waived except by the written consent of the other party. Forbearance or indulgence by the District or Contractor in any regard whatsoever shall not constitute a waiver of the covenant or condition in question. Until complete performance by the District or Contractor of said covenant or condition, the other party shall be entitled to invoke any remedy available to it under this Sublease or by law or in equity despite said forbearance or indulgence.

SECTION 18. Assignment

Without the prior written consent of Contractor, the District shall not (a) assign, transfer, pledge, or hypothecate this Sublease, the Project and the Site, or any part thereof, or any interest therein, or (b) sublet or lend the use of the Project or any part thereof, except as authorized by the provisions of the California Civic Center Act, Education Code Section 38130 *et seq.* Consent to any of the foregoing prohibited acts applies only in the given instance and is not a consent to any subsequent like act by the District or any other person. Contractor shall not assign its obligations under this Sublease with the exception of its obligation to issue default notices and to convey or reconvey its interest in the Project and Site to the District upon full satisfaction of the District's obligations hereunder; however, the District shall pay all Tenant Improvement Payments and Sublease Payments due hereunder pursuant to the direction of Contractor or the assignee named in the most recent assignment or notice of assignment. Subject always to the foregoing, this Sublease inures to the benefit of, and is binding upon, the heirs, legatees, personal representatives, successors, and assigns of the parties hereto.

SECTION 19. Ownership

SECTION 20. Sublease Prepayments/Purchase Option

(a) Sublease Prepayments. At any time during the Term of this Sublease, the District may make Sublease Prepayments to the Contractor of the Tenant Improvement Payments and/or Sublease Payments ("Sublease Prepayments"). No Sublease Prepayments requested by Contractor may be made by the District in an amount which exceeds the aggregate true cost to Contractor of the work on the Project completed up to the date Contractor submits the request for a Sublease Prepayment less the aggregate amount of: (1) all Tenant Improvement Prepayments and Sublease Payments previously made by the District to Contractor; (2) all Sublease Prepayments previously made by the District to the Contractor; (3) all amounts previously retained pursuant to Section 20(a)(3), below, from Sublease Prepayments previously made by the District to Contractor (unless Contractor shall have previously substituted securities for such retained amounts pursuant to Section 20(a)(3)); and (4) the retention for such Sublease Prepayment pursuant to Section 20(a)(3) hereof. Contractor must submit evidence that the conditions precedent set forth in Section 20(a)(1), below, have been met. In the event District elects to make Sublease Prepayments, the Prepayment Price, contemplated in Section 20(b), below, shall be adjusted accordingly.

(1) In the event that the District elects to make a Sublease Prepayment, the following are conditions precedent to the District's delivery of such Sublease Prepayments to Contractor pursuant to a request of Contractor:

(2) The determination of whether satisfactory progress of the construction pursuant to the Time Schedule has occurred shall be made by the District in accordance with the General Conditions. If the District determines that pursuant to the Time Schedule the work required to be performed, as stated in Contractor's

Sublease Prepayment request, has not been substantially completed, then Contractor shall not be eligible to receive the requested Sublease Prepayment.

(3) The District shall retain an amount equal to 5% of each Tenant Improvement Payments (“retention”) made at Contractor’s request. The Prepayment Price at any given time shall be an amount equal to the final GMP, as it may be revised from time to time, less the sum of any Tenant Improvement Payments, Sublease Payments and/or Sublease Prepayments made by the District prior to the date on which the District elects to exercise its option under this Section. The District may thereupon terminate this Sublease and Contractor shall deliver such deeds, bills of sale, assignments, releases or other instruments as District may reasonably require to reflect the transfer of all of Contractor’s interest in the Project. Following the closing of the District’s purchase option, the District shall retain all rights to any claim or warranty arising under the Construction Services Agreement.
