# Janesville Union Elementary School District

Lee Bailey, President  
Melissa McMullen, Clerk  
John Meese, Member  
Paul Hinkson, Member  
JoAnna Harrison, Member

*The Board of Trustees meets on the third Tuesday of each month at 6:30 p.m. in the Library. The public is invited to attend all meetings.*

## **The Mission**

The mission of the Janesville Union Elementary School District is to prepare students to be productive citizens and confident authors of their future. We will strive to achieve this by offering academically challenging curriculum, quality teaching, and modeling integrity and empathy for others.

## **The District**

Janesville Union Elementary School District is a single school district. The Janesville School serves approximately 380 students in kindergarten through the eighth grade. JUESD was formed by combining several smaller school districts, including Janesville, Lake, Missouri Bend and Milford that formerly existed in the Honey Lake Valley.

Janesville School is located on Main Street in the community of Janesville. The school includes a beautifully maintained campus nestled in the tree line of the Sierra Nevada mountain range. The Janesville School site presently houses twenty-eight classrooms, including the computer laboratory. The site also includes a student library, a gymnasium/cafeteria and various administrative and operations facilities. Classes are self-contained in kindergarten through the sixth grade. Seventh and eighth grade students receive instruction in a modified departmentalized system. Janesville has a well-earned reputation for providing a high quality education. All teachers meet the criteria to be recognized as “Highly Qualified.” In addition, the faculty also includes one resource specialist teacher.

The paraprofessional staff at Janesville School consists of six classroom aides, a computer technician, a speech aide and a library technician. Cafeteria staff and custodial staff include three full-time and one part-time employees. The administrative staff consists of the Superintendent/Principal, the Chief Business Official (Business Manager), the Director of Maintenance, the District Secretary and the School Secretary. School nursing services are provided on a part-time basis with a health clerk provided by the Lassen County Office of Education. The health clerk works under the supervision of a School Nurse. A before and after-school privately operated child care program, Just Kidding Around, is also available on the Janesville School campus for a fee.

The District has seven re-locatable classrooms. The school’s computer lab is located in a classroom adjacent to the library. Students are taught basic computer skills in the lower grades, while junior high school students are given instruction in keyboarding.

### Unscheduled School Closures/Emergency Conditions

The most common emergency conditions that affect Janesville School include power outages, heavy snow, and high winds. Please follow these directions in case one or more of these conditions are in effect:

Please pay attention to Janesville School All Calls, text messages, emails and Social Media posts for an announcement. The announcement will report one of the following conditions:

1. School will take place on a delayed day schedule
2. School is cancelled for the day

Students who walk to/from school may be released upon parent notification and consent. It is imperative that all students are accounted for. All students will be checked out from their classrooms and cannot be released to anyone other than those listed on our emergency contact information. Parents/Guardians will also be notified via telephone using our "SchoolWise" automated system for school closures or delayed days. Please continue to use the radio for emergency notifications until you receive a phone message.

**In the event school is cancelled due to a weather emergency or other unanticipated closure event, all school meetings, practices, appointments and sports events, such as games, will also be cancelled. This includes any private meetings such as meetings of Cub Scouts or 4H.**

### **Board Meetings and Required School Document Postings**

School Board meeting agendas and required school documents will be posted at a minimum of three local Janesville and Milford businesses, on the outside bulletin board at school, and on the JUESD website at [www.janesvilleschool.org](http://www.janesvilleschool.org) . Regular meetings are held on the third Tuesday of each month. Special board meetings and public hearings, as needed, will be posted with twenty-four hours notice at the places noted above.

### **Use of School Facilities**

Any group, organization or individual wishing to use the JUESD facilities, including any classroom, the cafeteria, the gymnasium, the activity building or the library, must first obtain and enter into a “Facilities Use Agreement” with the District. Facility Use Agreements can be obtained through the District Office. The District will make a determination of risk associated with the use of the facility. The group, organization or individual may need to demonstrate proof of liability insurance, with \$1,000,000 minimum coverage, naming the Janesville Union Elementary School District as an “also insured.” Call the District Office at 253-3660 for more information.

### **Going To and From School**

A student is responsible for his or her actions going to and from school just as if he/she were on campus. State Education Code requires students to be held responsible for observing school rules and property rights while going to school and while returning home from school. Therefore, parents should ensure that their student proceeds directly to school and home again prior to taking part in any other activity. Students should be given enough time to get to school. Students should not arrive before 7:45 a.m. Students are expected to proceed to school and home again while obeying all traffic rules, respecting the property rights of homeowners on their route, and obeying all school rules.

Students are **NOT** allowed on campus before 7:45 a.m. Students may **NOT** remain at school more than thirty minutes after the end of the school day. Students who are still on the campus after ten minutes must check in with the school office staff so their parents can be notified that they need transportation. Students cannot remain on campus after school unless attending a school function, program, or with parent supervision. **WE DO NOT HAVE SUPERVISION FOR YOUR CHILDREN BEFORE OR AFTER SCHOOL HOURS.**

**Do not leave children unattended on the playground equipment when visiting the campus after school hours.**

### **School to Home Instructions**

Please make the school aware of any changes in your child’s “go home” plans, especially when younger children are involved. Let children know before school if there is to be a change in their daily schedule. Send a note to your child’s teacher making her or him aware of the change. Students who are going to a friend’s home must have a note from their parent. Please call the school as soon as you know if your child must leave school due to an emergency. Please call the office and not directly into classrooms. Most classes go outside in the afternoon and we are unable to reach students with phone messages.

**Please call with student instructions by 12:00 p.m.**

Due to the lost instruction time, students will not be called out of class early to wait for parents/guardians to pick them up in the office. The office will call the classroom when the parent/guardian arrives.

### **Closed Campus**

Janesville School has a closed campus. Students are allowed to leave only when signed out by a parent or guardian. Other situations must be cleared through the office by phone or by note. Students who arrive late to school from a medical/dental appointment will be **required** to furnish a note from the doctor/dentist office or parent/guardian. If a note is not provided, the tardy will be logged as unexcused. Any student who violates the closed campus by leaving school during school hours without permission will be considered truant. Students

must remain in designated areas during school hours. Due to traffic danger, students must remain out of all designated parking areas during school hours.

### **Visitors**

Parents and guests must sign in at the office. They will receive a visitor's pass prior to going anywhere on campus. This is required to protect the safety of all students and staff. Your cooperation is essential. Students will refrain from communicating with anyone who does not have a visitor's badge or who is not a known staff member. Students should also report any person who attempts to communicate with them if that person does not have a visitor's badge and who is not a known staff member.

Parents who wish to make appointments with teachers should contact the school at 253-3551. The teacher will return the call as soon as possible. Appointments with teachers can only be made before or after school hours. Parents are encouraged to visit and to volunteer at our school. Please follow the procedure for visiting our school as described above. **Students from other schools may not visit our campus during school hours.**

### **WILDCAT VOLUNTEER PROGRAM**

Be an asset in your student(s) education by helping in the classroom, in areas of support on campus (such as the library or computer lab), and/or in classrooms other than your students. ALL volunteers must go through one training a year. Returning volunteers will meet for a review and be given information on any new updates if needed. If you are interested in joining our volunteer team please contact the front office for more information. Volunteers must pass a LiveScan background check. Volunteers will need to pay \$10 toward the cost of the LiveScan background check. Thank you to all who volunteer!

### **Parking and Traffic Control**

Vehicles must be parked in designated parking areas only. Leaving a car unattended in an area not designated for parking is prohibited. Parents/Guardians and staff members must be careful when picking up or dropping off their children. All visitors must sign in at the office.

Please take care when driving in the parking lot area. Watch for students and drive slowly! Let's work together to avoid a tragedy.

### **Payment by Check Notice**

All checks written to Janesville School are processed through the Lassen County Treasury. Each check received by the County Treasury is electronically scanned and deposited. NACHA is a not-for-profit association that represents more than 11,000 financial institutions through direct memberships and a network of regional payments associations, and 650 organizations through its industry councils. NACHA develops operating rules and business practices for the Automated Clearing House (ACH) Network and for electronic payments. NACHA guidelines require us to inform anyone who writes a check that his or her transaction is being handled in an electronic format and that they will not receive a copy of their check back.

The following notice is posted at school and printed here to inform you of the NACHA guidelines:  
When we use this information from your check to make an electronic funds transfer, funds may be withdrawn from your account as soon as the same day you make your payment, and you will not receive your check back from your financial institution.

**The Lassen County Treasurer requires all checks to be written in black or blue ink.**

If you have any questions regarding these policies, please contact the County Treasurer-Tax Collector's office at (530) 251-8220.

## **Books, Instructional Materials, and Equipment**

Students will be provided with textbooks, instructional materials and equipment. Students are expected to treat these items with care. Parents will be required to pay for items lost or damaged by the students or by any incident of vandalism. Please be aware that school textbooks may cost fifty dollars or more.

## **Lost and Found**

The school maintains a lost and found box for clothing. This box is located near the south door of the primary grade building. Parents are asked to check with the office before checking the box for their child's belongings. Periodically throughout the year, the lost and found items will be displayed. Those items not claimed will be donated to a charity.

## **Illegal, Dangerous, or Prohibited Items/Behaviors**

### **\*\*\*Notice\*\*\***

## **ANY PARENT, GUARDIAN, OR OTHER PERSON WHOSE CONDUCT DISRUPTS A SCHOOL ACTIVITY IS GUILTY OF A MISDEMEANOR (CALIFORNIA PENAL CODE 44811 (a))**

**No weapons, drugs or alcohol are allowed at school.** Possession, sales or the furnishing of a gun or an explosive; possession, use or sales of drugs or brandishing a knife at another person **will result in a recommendation for expulsion** by the superintendent from Janesville School to the Board of Trustees. The Lassen County Sheriff's Department will also be notified. No laser pointers are allowed at school without prior approval of the superintendent/principal (penal code 417.27).

In addition, there are items which the District states are not appropriate for school use and are not to be brought to school. These items include toys, party gags, balloons, hard baseballs, non-approved books or magazines, glass containers, yo-yos, trading cards, expensive jewelry, metal baseball bats, or aerosol cans. Some of these items may be dangerous. They can distract students from their learning and/or they are too valuable to risk for theft or loss.

## **Electronic Devices/Wireless Communication Devices**

Cell phones, smart watches, earbuds, headphones, tape recorders/players, cameras, video games, CD players, iPods, MP3 players or other electronic devices brought to school must remain off and stored in the students' backpack or teacher designated area, during the school day. Electronic devices are expensive and students are highly discouraged from bringing them to school. Personal electronic devices being used for educational purposes are allowed with prior teacher permission and should only be used under direct supervision of a staff member. Janesville School is not responsible for theft or loss of any electronic device brought on campus. The Janesville School Technology Contract and all Janesville School policies apply to personal electronic devices brought on campus or to school sponsored events.

If you are unsure of any item, consult your child's teacher or the school office before bringing the item to school.

\*Students may carry wireless communication devices on the Janesville School campus and at school-related events if they abide by the rules established in the "Student Use of Wireless Communication Contract." This contract must be completed and signed by the student and the student's parents/guardians before carrying a wireless communication device on campus. This contract can be obtained in the school office. Contracts must be renewed annually.

According to board policy and the associated wireless communication device usage agreement, devices brought to school must be turned off and stored in the students' backpack during the school day. Students who violate the contract will have their device confiscated and turned over to the principal or designee. A parent will be required to pick up the confiscated item. Students who fail to follow the wireless communication device contract may also be prohibited from bringing a device to school for the remainder of the school year. Students will be subject to the Disciplinary Check (√) System, including suspension, for violation of school rules.

## **Dress Code**

Students are expected to dress in a manner that will not offend other students or staff and will not disrupt the classroom. Please see the dress code in this handbook (pages 25 and 26) for a list of restricted clothing.

## **Bicycles, Skateboards, Skates and Scooters**

Bicycles, skateboards, and scooters are not to be used on the school grounds during school hours or when staff members are working (7:00 a.m. to 4:30 p.m.). They are not allowed on sidewalks or close to buildings.

Students are to park bikes and scooters in provided racks. Students are expected to obey all rules of the road and traffic laws when coming and going to school. Helmets must be worn.

*Reminder: The Janesville Campus is closed after dark.*

## **Food on Campus**

No gum or seeds in shells are allowed on campus.

All food and beverages must be eaten in the cafeteria during lunch or in classrooms under the approval of supervising staff. Students are prohibited from eating food or candy or drinking beverages anywhere on the school grounds except on outdoor lunch days. On outdoor lunch days, students may eat outside in the designated area.

## **Awards and Recognition**

Each Friday there may be a presentation of awards to recognize the Student of the Week in each class. These awards are based on a student's weekly achievement for academic performance and citizenship. Selections are made by the classroom teachers and other staff members.

Academic Honor Roll Certificates are given to students for academic achievement based on the student's report for the grading period. There are three levels:

- Gold** 4.0 grade point average
- Silver** 3.5 to 3.9 grade point average
- Blue** 3.0 to 3.4 grade point average

Each grading period Perfect Attendance Awards will be awarded to students who are in attendance all of the school days for all of the day. Medical appointments are exempted. Students leaving early to medical appointments or arriving late from medical appointments must bring a note from their doctor or it will be considered an absence. More than two unexcused tardies per grading period will exclude the student from perfect attendance.

## **Cheating and Plagiarism**

Cheating and copying other's work will result in a reduced or failing grade for the test, paper or project. All incidents of cheating or copying may result in a referral to the principal and a report will be made to the student's parents. Continual or habitual cheating will result in a failing grade for the subject.

## School Attendance

### General Information about School Attendance

Students are expected to come to school every day that school is in session when the student is not ill. If a student is absent, please have the student bring a written note from his/her parent or guardian that states the reason for the absence. Parents/guardians may also call our office to report the nature of a student's absence from school. **If you are planning a vacation for three or more school days, please see our office about having your child's teacher prepare an Independent Study Contract for the student. Five days notice is preferred for Independent Study.**

**Schools receive state funding for students only when they actually attend school or during the period covered by an Independent Study Contract. If you find it necessary to keep your child out of school for reasons other than illness, we encourage you to send your child to school for at least part of the day so your child will not miss out on important school assignments.**

Studies show that there is a direct correlation between good school attendance and student achievement. Therefore, we encourage parents to reinforce the importance of good school attendance.

### Why is attendance important?

Did you know . . .?

- Attendance patterns are established as early as kindergarten.
- Regular attendance and learning to be on time establishes good academic habits that are important in later years.
- New educational concepts are introduced each day. Habitual tardiness and absenteeism lead to student frustration. It's difficult for students to play "catch-up." Children have a hard time filling in the gaps between missed lessons.
- It is difficult to identify behaviors and academic difficulties early if a student misses school frequently.
- Older children in the home often set patterns for younger siblings.
- Absenteeism and behavioral problems contribute to higher drop-out rates, delinquency, and vandalism.
- Students who do not eat breakfast are absent more than students who do.
- If your student is absent or tardy frequently, your child may begin to feel that school isn't important and that you, the parent, don't value education.
- Your support of the educational process will help motivate your child to do well in school.

Absenteeism is not a new problem, but it is a disturbing and costly one. Students who miss school create problems at four levels:

1. **Absenteeism hurts the students.** Students miss important studies, concepts, and socialization skills, such as learning to understand and follow directions and to plan for the future.
2. **Absenteeism hurts other students.** Teachers have to give absentees more individual attention for them to catch up, depriving other students of the teacher's full attention.
3. **Absenteeism hurts the school and district.** The greater the number of absences, the less the guaranteed revenue to the district. Less revenue affects available resources to spend on educational programs.
4. **Absenteeism hurts the community.** Short-term effects are reflected in statistics showing increased criminal activity when youth are not in school. Long-term effects are reflected in both social and criminal justice system statistics.

### Excused Absences

Valid excuses from compulsory school attendance include only:

- Personal illness of the student

- Funeral services for members of the student’s immediate family
- Medical, dental or optometry services for the student
- Court appearances by the student
- Student caring for his or her own child
- Quarantine of the student or the student’s family
- Attending a student employment conference (requires advance notice to the school)
- Observing a religious holiday (requires advance notice to the school)

Three (3) or more consecutive absences require a doctor’s note to be excused. When a student has accumulated fourteen (14) absences in the school year, any further absences shall require a doctor’s note to be excused. Absences that are not excused are truant (see **Truancy**, below). **When a student is reported ill but then shows up at a school event or is seen at a public event later that day, the excused absence may be revoked.**

### **Truancy (Unexcused Absences)**

California Education Code (Section 48260 (a)) defines truancy as, “Any pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.”

### **Excessive Absences**

More than ten cumulative absences for any reason are considered excessive. Excessive absences will be referred to the Superintendent who may refer the matter to the District Student Attendance Review Team (SART).

### **Tardiness**

A child’s tardiness not only interferes with their learning, but also disrupts the education of others. The tardy guidelines are:

1. Any child entering the classroom after the tardy bell has rung (8:15) is considered tardy.
2. Medical, dental, or illness related excuses are the only acceptable reason for excused tardies. A student arriving late with no note will receive an unexcused tardy.
3. More than two unexcused tardies each quarter will exclude the student from perfect attendance.
4. Excessive unexcused tardiness as defined in the “Excessive Absence” section above will be referred to the Superintendent and the District Truancy Officer.

### **Makeup Work**

Students who are absent from school shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time. (BP 6154)

### **Home and Hospital**

Home and Hospital Instruction is for students who have a temporary disability and are unable to attend regular school instruction. Parents/guardians must notify the Superintendent in writing with a note from a medical provider when they are requesting Home and Hospital instruction. (BP 6183)

### **Independent Study**

Short term independent study is a voluntary option available to students who are going to be absent for 3- 15 days. Independent Study contracts are available in the office and must be signed BEFORE the absence begins. All independent study work is due the day students return to school or absences will be recorded as truant. A minimum 5-day notice is preferred.

## Emergency Information

Each student **must** have at least one emergency contact person on file at the school. It is the responsibility of parents and guardians to update student emergency information when changes occur. The school will not release students to persons other than their parents/guardians unless we are given directions to do so by the students' parents. Please notify the school office in writing if you plan to have your child released from school to someone other than the parent/guardian or others listed in the school office, or if they are will be riding the bus to a different stop.

### Medical Concerns

Students shall not carry medication of any kind at school. If your child must take prescription medication at school, it is imperative that you contact the school secretary or school nurse **before you send the medication to the school.** In order for your child to take prescription medications during the school day, you **must** have an "Administration of Prescribed Medication" form (Education Code Section 11753.1) on file with the school. Over-the-counter medication, including cough drops, **shall not** be brought to school. **Please notify your child's teacher and the school office if your child has any severe food allergies. Special meals will be provided or accommodations will be made for your child.** The food service Manager must have a *Medical Statement Request Specials Meals and/or Accommodations* form that will be on file for students with medical conditions before accommodations will be made.

### Accidents

When a student is injured and the nature of the injury or the mobility of the student is uncertain, do not move the injured student. Call for assistance or send someone to the nearest teacher or other school staff member. Accidents should be reported to the office immediately.

### Accident Insurance

An accurate report, including the date, time and place of an accident should be made at the school office whenever an accident occurs at school. The district purchases basic insurance for students. However, this insurance extends only to school activities and school-related activities. School accident insurance is supplemental insurance that may not provide full coverage in certain situations. School accident insurance does not take effect if the parent has primary insurance coverage.

### Parent Drivers and Automobile Liability Insurance

The district acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not exist without volunteer support. Students must have written documentation of their parents' consent if they plan to ride to a school event with someone other than their parent/guardian. If you plan to provide transportation for other children, you are required to complete an *Application by Private Driver to Provide Student Transportation* form. This form is available from the advisor or the school office. When submitting your form, please include a copy of your insurance card or policy, and a copy of your driver's license. Please review the District's minimum insurance coverage requirements listed on the form. Your insurance must meet or exceed the District's minimum standard listed on the form. Your application will not be signed by the Superintendent if your insurance does not meet the minimum standard specified by the District. In most instances if your insurance does not meet the minimum standard, you may contact your auto insurance carrier and increase the level of coverage to the minimum standard required by the District. Just ask your insurance carrier to FAX a statement of coverage to the school. Please contact the school office before you have this information sent to the school. Any parent who volunteers to be a chaperone for any overnight event must be fingerprinted. Parents must get fingerprinted well in advance of the scheduled event so that the fingerprints have a chance to clear. Pick up fingerprint information at the Lassen County Office of Education.

## **Eligibility for Participation in Extracurricular and Co-curricular Activities Academic Probation and Citizenship Probation**

### **Grade Point Average**

Grade points will be awarded on the following scale:

**A = 4.0      B = 3.0      C = 2.0      D = 1.0      F = 0**

A teacher may utilize a “+” or a “-” on a report card grade to indicate the level of success in a particular subject. However, grade point averages (GPA) will be calculated using whole numbers only, ignoring the + or – assigned to a particular grade.

Grade point averages will be used to determine if a student is eligible to participate in extracurricular and co-curricular activities. The grade point average will be calculated by multiplying the grade points received with the credit for a given course. All the courses in a grading period are added then averaged. An OVERALL academic GPA of 2.0 or higher and a C or higher in the Citizenship grade as calculated from the previous quarter's report card is necessary to participate in extracurricular and co-curricular activities. Students must be eligible at the time of team tryouts in order to become part of the team. Students who become academically ineligible on a mid-season report card will be removed from the team on the Monday following the day the report cards are sent home from school. Students whose Citizenship grade falls below a C at any time during the season will be removed from the team that same day.

All athletes will abide by the Janesville School Athletics Agreement in Appendix D.

### **Academic Probation**

Maintaining an OVERALL 2.0 or higher GPA will allow the student to participate in such activities as after school athletic teams, dances and clubs (extracurricular activities). The OVERALL 2.0 GPA requirement is also in effect for a student to be able to participate in field trips, class parties, or other special events associated with the curricula in the school (co-curricular activities). Students who do not maintain an OVERALL 2.0 GPA will be placed on “Academic Probation” and will be ineligible for extracurricular or co-curricular activities.

### **Citizenship Probation**

Maintaining a 2.0 or higher citizenship grade will allow the student to participate in such activities as after school athletic teams, dances, and clubs (extracurricular activities). A student will be placed on Citizenship Probation in any quarter that the student’s citizenship grade falls below a grade of “C.” That is, a student will be placed on Citizenship Probation whenever the student accumulates sixteen or more behavior checks. Averages for the end of the year class trip and the graduation ceremony and dance, will be based on citizenship grades received while attending classes on the Janesville campus.

Students on Citizenship Probation will remain on Citizenship Probation for the remainder of the quarter and five weeks of the next quarter and lose the following privileges:

- No Extracurricular Field Trips (Academic Field Trips may require a parent to attend.)
- Ineligibility for School Sports
- No extracurricular activities: school dances, attendance at after school activities etc.

### **Statement of Understanding**

A student’s GPA will be calculated at the end of the first grading period. Any student who does not maintain an OVERALL 2.0 GPA will be placed on Academic Probation. Students who are placed on probation may request a “Statement of Understanding,” which is a contract that will allow the student to continue to participate in all

extracurricular and co-curricular activities as long as the terms of the contract are honored. A Statement of Understanding is intended to give students a legitimate second chance to get their grades up. It is not intended to allow a student to get around the requirement that a student have a GPA of 2.0 in order to participate in extracurricular and co-curricular activities. A statement of understanding may be granted each sports season as necessary.

### **Seventh and Eighth Grade Requirements:**

The Statement of Understanding in seventh and eighth grade requires students to do the following prior to each activity in which they wish to participate:

1. Fill out an activity sign-off sheet before each event (not including practice) in which the student wishes to participate.
2. Be cleared in all six academic subjects and obtain the teacher's signatures in those subjects.
3. Missing Assignments: All work must be turned in; students may not have missing assignments.
4. The Statement of Understanding must be filled out by Tryout dates for the students to be eligible to tryout.

### **Dances**

School dances will be scheduled throughout the school year. Students in the seventh and eighth grades may attend all school dances if they are not on academic or citizenship probation. Students in sixth grade may attend the tournament dances and those occurring after the end of the 2<sup>nd</sup> quarter. Students will not be allowed to attend school dances if there is an outstanding bill owed to the school (i.e.: money owed to the Library, missing uniforms, text books, etc.) The graduation dance is for current sixth, seventh, and eighth grade students only.

Guests must have the consent of the principal from their home school to attend a dance at Janesville School. Emergency contact information must also be included. Guests will not be admitted without a host student from Janesville School. The participation/consent form must be completed and turned in one week before the dance. Students who leave Janesville School during the school year to attend another school must have left Janesville School with a citizenship grade of "C" or better in order to be a guest at a Janesville School dance.

Students who attend Janesville School dances, and their guests, must adhere to the Janesville School dress code policies (see the dress code section) at all Janesville School dances with only one exception to the dress policy. Dresses and tops with straps on both shoulders less than one inch wide may be worn to dances, if all other elements of the dress code are otherwise observed. No strapless dresses or gowns, low cut front/back, or dresses/gowns/skirts with a high-side cut (mid-thigh standard) will be allowed at any school dance (including the graduation dance).

Students who leave a dance early will not be readmitted. Students must remain indoors during dances so they can be supervised. If a student is asked to leave a school dance, the student's parents will be responsible for prompt transportation home.

### **Field Trips**

Some field trips are co-curricular activities. They are scheduled during the school year, depending upon the curriculum and the instructional needs of the class. Students on academic probation will not be allowed to attend extra-curricular field trips.

To attend an Honor Roll field trip a student must have an “A” in citizenship and at least a 2.0 in academics OR a “C” or better in citizenship and a 3.0 or better in academics. If a student who is ineligible for an Honor Roll trip attends the event, he/she will receive one week of lunch detention and five checks.

A parent consent form allowing attendance on field trips must be signed and returned to the teacher prior to participation on a field trip. Fundraisers may be held to help students raise money for these trips or parents may be asked for donations to help the school defray the cost of some field trips. Money generated from fundraising is non-refundable. A sack lunch from the cafeteria will be provided for any student upon request.

### **Outstanding Debt**

Outstanding school related bills/debt (library books, textbooks, yearbooks, etc.) must be cleared before students are allowed to attend dances or field trips. Students may be exempted by the classroom teacher for field trips deemed educational by the classroom teacher, however the teacher shall make a concerted effort to help recover the outstanding debt. In addition, report cards and student cumulative files will not be released until all school related bills/debt are cleared. Debts that have accumulated with no reasonable attempt to pay down the debt may be referred to the Lassen County Small Claims Court.

### **Athletics and Other Extracurricular Activities**

Janesville School sponsors the following sports: seventh and eighth grade touch football, seventh and eighth grade basketball; sixth, seventh, and eighth grade cheerleading, seventh and eighth grade volleyball; sixth, seventh, and eighth grade track and field, multi-age cross-country, and multi-age wrestling. Sixth grade students may be included on basketball, football, and volleyball teams if necessary to provide sufficient numbers for viable teams. The school may also have several other opportunities for students to participate in competitive events. Students who participate in school sports or other extracurricular activities must sign the school Athletic Agreement. These students must also receive medical clearance from a doctor before they participate on the team. Students must be present at school the entire day of the event or practice (excluding medical/dental appointments) to participate or on the preceding day if the event is on a holiday or weekend. They may not participate in extracurricular team sports/dance activities during any period they are excused from physical education, and they must meet school academic and citizenship standards required for extracurricular activities. No student may participate in athletics or other extracurricular activities, such as Yearbook, Spelling Bee, Geography Bee, Academic Olympics, math competitions, Student Council or any other extracurricular activities if they are on Academic or Citizenship Probation. Students participating in athletics must follow the athletic agreement.

### **First Quarter Activity Eligibility**

Grades are not carried over from the previous year for activity eligibility. Students are eligible for first quarter activities, dances, and sports if they have no missing assignments when grades are checked prior to each activity.

### **Early Release**

Students who participate in athletic or academic events and spectators who require early release from school may receive early release from school for participation in an event if all of the following conditions are met:

The student’s citizenship grade is a “C” or better. The participant *has to be at school* the day of a game/event, or the day before a game/event, if the game/event falls on a weekend. Medical appointments are exempted from this rule with *proof* of a doctor’s excuse. If the participant has to leave early for a game/event, he/she is responsible for the work that is due the next school day. Students must sign out through the office prior to leaving for the event.

If a student, who has not fulfilled the early release policy/form, leaves school early to participate in an activity, he/she will be excluded from future events. i.e. - games, tournaments, honor trips, dances, etc.

Student spectators who take an early release without satisfying the applicable criteria stated above will be required to serve an in-house suspension, as directed by the teacher and/or the principal.

## Physical Education

Although students are not required to wear uniforms for P.E., they are expected to wear appropriate footwear and clothing for daily P.E. class. If the student wears shoes or clothing that is not appropriate for P.E., the student should bring a change for P.E. and recess. Grades for P.E. will be affected for students who do not participate because they do not have appropriate clothing or footwear for P.E.

If a student is injured and cannot participate in P.E. they have lost their eligibility to participate in a Janesville School sports program/activity/game etc., until the student is able to return to P.E.

Students who are injured and cannot participate in the class, must provide a doctor's note to be kept on file that they are to be excused from physical education. If a note is not provided, the student will be required to participate or their grade will be affected. Injured students, who have a note, will be required to stay indoors, in a designated classroom, during the physical education period.

## Seventh Grade Promotion Standards

To meet the seventh grade promotion standards, the student must have no more than four F's for the entire year. A conference with the student's parents may be required.

## Eighth Grade Graduation Requirements

### Eighth Grade Graduation Standards

Course	Quarter Credits	Year Credits
U.S. History	1	4
Mathematics	1	4
Science	1	4
Reading/Literature	1	4
Spelling	1	4
Physical Education	½	2
English	1	4
<u>Exploratory</u>	<u>½</u>	<u>2</u>
<b>Total</b>	<b>7</b>	<b>28</b>

Students must obtain credit for twenty-eight units of course work during the regular school year and pass the Constitution Test to graduate from Janesville School. Credit is obtained each quarter by successfully passing the subjects shown above with a grade of "D" or better. No credit is earned toward graduation for a class when the student receives a grade of "F" in that class. A diploma and participation in the graduation ceremony and dance will be awarded to those students who complete twenty-four to twenty-eight credits in their eighth grade year. This averages out to no more that four grades of "F" for the entire school year. Students who do not attend Janesville School for the entire year will be allowed an average of one "F" per full quarter of attendance (one quarter of attendance equals one "F"; two quarters equals 2 "Fs," etc.). If a student has more than twenty-one checks, which equals an "F" in citizenship, in the fourth quarter he or she will be excluded from the graduation ceremony and the graduation dance. Graduating students will be required to wear the gown provided by the District at the graduation ceremony. Students must attend all graduation practices to participate in the graduation ceremony unless prior arrangements are made with their teachers. Graduation/class trip requirements are based on the grades and citizenship earned at Janesville School only. Absences do not exclude students from meeting graduation/class trip deadlines.

The high school will be apprised of those students who were graduated, promoted, transferred or retained.

## **Eighth Grade Trip Requirements**

### **Academics**

- The student has met the graduation requirements for Janesville School.
- All work has been turned in during the fourth quarter to the satisfaction of all classroom teachers.
- All students must get the end-of-the-year check off sheet signed by all required staff members.
- The student has passed the Constitution Test.

### **Citizenship**

- A 2.00 average has been obtained for the year, with a minimum of a “C” in the fourth quarter.

### **Discipline**

- Any student who has more than three days of home suspension is not eligible to attend the eighth grade trip. The parent/guardian and student may file for appeal with a letter to the Superintendent. As part of the appeal process, the student and parent/guardian will be required to attend a closed session board meeting to state their case for reinstatement to the eighth grade trip.

Students who do not attend the eighth grade trip because of Academic Requirements or Citizenship Probation, excessive suspensions, or because they do not want to go, must attend school while the rest of the class is on the trip. Work and supervision will be provided. If an eighth grade student attends the trip even though they have not met Academic Requirements or Citizenship Probation, he or she will be excluded from the graduation ceremony and the graduation dance. Students must attend all graduation practices in order for the student to participate in the graduation ceremony.

## Dress Code

In order to preserve a neutral environment conducive to learning and protect the educational process, the following dress code is in effect at all times, including coming to school or going home, or while participating in school related activities. Second violation: Referral to office, lunch detention given and student is required to change the clothing so that it is appropriate. The student will receive two checks.

All further violations: Referral to office, student is suspended for one day and is required to change the clothing so that it is appropriate. The student will receive three checks.
