We would like to read several novels with the 6th and 7th graders during the 2020-2021 school year. As these novels are not part of the adopted curriculum, the school is unable to fund the purchase of class sets of these novels. We are writing in hopes that you will be willing to purchase your child copies of the following books and consider donating them to our classes at the end of the year. It would be greatly appreciated if your child could have the books for the first week of school that way we can order any extra that may be needed. Thank you for all of your support!
